

Notice of annual meeting of shareholders and management proxy circular

Wednesday, May 14, 2025

March 25, 2025

Dear Shareholders:

This year's annual general meeting of Shareholders of the Corporation (the "Shareholders") (the "Meeting") will be held on Wednesday, May 14, 2025, at 11:00 a.m. (Eastern Time) as a virtual-only Meeting available via live audio webcast available at www.virtualshareholdermeeting.com/YP2025. The Corporation is holding the Meeting virtually to enable greater participation by the Shareholders. At the Meeting, all Shareholders, regardless of geographic location and equity ownership, will have an equal opportunity to participate. The Corporation is using notice-and-access to send the Notice of Annual Meeting of Shareholders and management proxy circular to beneficial owners and registered holders of its common shares.

We hope you find that this year's proxy circular contains all the information you require in order to make a well-informed decision when casting your vote. We also encourage you to review the 2024 Annual Report, which contains Management's Discussion and Analysis and the annual Consolidated Financial Statements for the financial year ended December 31, 2024.

Your participation in the affairs of the Corporation is important to us and we encourage you to exercise your voting right. Items to be considered at the Meeting will be receiving the consolidated financial statements of the Corporation for the year ended December 31, 2024, the election of Directors for the ensuing year, and the appointment of the external auditors. You are encouraged to vote in advance online at www.proxyvote.com or by telephone, or to complete and return the form of proxy or voting instruction form in the envelope provided for this purpose, in each case by following the instructions on the form of proxy or voting instruction form. You may also access and vote at the Meeting virtually using the instructions provided in the circular.

In 2024, the Corporation continued to deliver strong profitability and generate significant amounts of cash, driving continued return of capital to shareholders and a climbing cash balance. We also took major additional steps toward fully funding our Defined Benefit Pension Plan. At the same time, every quarter, targeted investments produced more progress toward revenue stability.

We are pleased with the Corporation's progress to complete its turnaround. We look forward to your participation at the Meeting.

Sincerely,

Rob Hall

Chair

Meeting Materials

The Corporation is using “notice-and-access” to deliver the management proxy circular to both Registered and Non-Registered Shareholders. This means that the circular is being posted online to access, rather than being mailed out. Notice-and-access substantially reduces printing and mailing costs and is environmentally friendly as it reduces paper and energy consumption.

You will find enclosed with this notice a form of proxy or a voting instruction form that you can use to vote your shares of the Corporation.

How to Access the Circular

The circular is available at www.meetingdocuments.com/TSXT/YP, the Corporation's website at www.corporate.yp.ca or on SEDAR+ at www.sedarplus.ca

How to Request a Paper Copy of the Circular

The Corporation will provide a paper copy of the circular to any Shareholder, free of charge, for a period of 1 year from the date the circular is filed on SEDAR+.

The information contained herein is given as at March 25, 2025, except where otherwise indicated.

In this Proxy Circular, the words “we”, “us”, “our”, the “Corporation”, “Yellow Pages” and “YP” refer to Yellow Pages Limited (including Yellow Pages Digital & Media Solutions Limited, YPG (USA) Holdings, Inc. and Yellow Pages Digital & Media Solutions LLC, (the latter two collectively YP USA).

FORWARD-LOOKING STATEMENTS

This Proxy Circular may include forward-looking statements within the meaning of applicable securities laws. These statements relate to analysis and other information that are based on forecasts of future results or events and estimates of amounts not yet determinable. The statements may involve, but are not limited to, comments relating to strategies, expectations, planned operations or future actions. These forward-looking statements are identified by the use of terms such as “aim”, “anticipate”, “believe”, “could”, “estimate”, “expect”, “goal”, “guidance”, “intend”, “objective”, “may”, “plan”, “predict”, “seek”, “should”, “strive”, “target”, “will”, “would”, and similar terms and phrases, including references to assumptions.

Forward-looking statements involve significant risks and uncertainties, should not be read as guarantees of future performance or results, and will not necessarily be accurate indications of whether or not such performance or results will be achieved. A number of factors could cause actual results to differ materially from the performance or results discussed in the forward-looking statements, including, but not limited to, the factors discussed under “Risk Factors” in the Annual Information Form of the Corporation dated March 28, 2025, in respect of the Corporation’s year ended December 31, 2024 (the “AIF”), which are incorporated by reference in this cautionary statement. The AIF is available on SEDAR+ at www.sedarplus.ca and on our corporate website at www.corporate.yp.ca. Additional risks and uncertainties not currently known to Management or that are currently deemed to be immaterial may also have a material adverse effect on the Corporation’s business, financial position or financial performance. Although the forward-looking statements contained in this Proxy Circular are based upon what Management believes are reasonable assumptions, including the non-occurrence of the risks and uncertainties that are described in the AIF, the Corporation cannot assure investors that actual results will be consistent with these forward-looking statements and cautions readers not to place undue reliance on them. These forward-looking statements are made as at the date of this Proxy Circular, and the Corporation assumes no obligation to update or revise them to reflect new events or circumstances, except as required under applicable securities laws.

QUESTIONS AND ANSWERS ON VOTING

The following questions and answers provide guidance on how to vote your common shares of the Corporation (the “Shares”).

WHO CAN VOTE?

Only Shareholders of record as at the close of business on March 14, 2025 (the “Record Date”) are entitled to receive notice of and to vote at the Meeting, and no person becoming a Shareholder after the Record Date shall be entitled to receive notice of and to vote at the Meeting or any adjournment thereof. The failure of any Shareholder to receive notice of the Meeting does not deprive the Shareholder of the right to vote at the Meeting.

WHAT WILL I BE VOTING ON?

Shareholders will be voting: (i) to elect the Directors of the Corporation (the “Directors”) for the ensuing year; (ii) to appoint the auditors of the Corporation for the ensuing year; and (iii) on any other business matter as may properly come before the Meeting and that may require the vote of the Shareholders.

HOW WILL THESE MATTERS BE DECIDED AT THE MEETING?

A simple majority of the votes cast by Shareholders present at the Meeting in person or by proxy will constitute approval of these matters.

WHO IS SOLICITING MY PROXY?

Management is soliciting your proxy. It is expected that the solicitation will be made primarily by mail but proxies may also be solicited by telephone, over the Internet, in writing or in person, by Directors, officers or regular employees of the Corporation, who will receive no other compensation therefore in addition to their regular remuneration. The Corporation may also reimburse brokers and other persons holding Shares in their name or in the name of nominees for their costs incurred in sending proxy materials to their principals in order to obtain their proxies. All costs of the solicitation of proxies by or on behalf of the Corporation will be borne by the Corporation. Such costs are expected to be nominal.

WHO CAN I CONTACT WITH QUESTIONS?

If you have any questions regarding this notice or the Meeting, please contact Broadridge via email at proxy.request@broadridge.com or, in the case of a Non-Registered Shareholder, your nominee (bank, securities broker, trustee, trust company or other institution).

HOW DO I VOTE?

If you are eligible to vote and you are a Shareholder of record as at the close of business on the Record Date, you can vote your Shares at the Meeting or by proxy, as explained below under “How do I Vote in Advance or by Proxy...if I am a Registered Shareholder”. If your Shares are held in the name of a depositary or a nominee such as a trustee, financial institution or securities broker (referred to as an intermediary), please see the instructions below under “How do I Vote in Advance or by Proxy...if I am a Non-Registered Shareholder?”.

DELIVERY OF PROXY MATERIALS

Proxy materials are being sent to Registered Shareholders directly and will be sent to intermediaries to be forwarded to all Non-Registered Shareholders (as defined below). The Corporation pays the cost of delivery of proxy materials for all Registered and Non-Registered Shareholders.

HOW DO I ACCESS AND VOTE AT THE MEETING...

You will be able to participate in the Meeting using an internet connected device such as a laptop, computer, tablet or mobile phone, and the Meeting platform will be supported across browsers and devices that are running the most updated version of the applicable software plugins and Meeting the minimum system requirements described below.

The steps that you need to follow to access the Meeting will depend on whether you are a Registered Shareholder or a Non-Registered Shareholder. You must follow the applicable instructions below carefully.

IF YOU ARE PARTICIPATING IN THE VIRTUAL MEETING, YOU MUST REMAIN CONNECTED TO THE INTERNET AT ALL TIMES DURING THE MEETING IN ORDER TO VOTE WHEN BALLOTING COMMENCES. IT IS YOUR RESPONSIBILITY TO ENSURE INTERNET CONNECTIVITY FOR THE DURATION OF THE MEETING.

...IF I AM A REGISTERED SHAREHOLDER?

If you are a Registered Shareholder, Broadridge Investor Communications Corporation ("Broadridge") will have sent you a form of proxy. This document will be required in order for you to complete the instructions below, but do not complete the form of proxy or return it to Broadridge since you will be accessing and voting at the Meeting during the live webcast.

Registered Shareholders can access and vote at the Meeting during the live webcast as follows:

1. Log into www.virtualshareholdermeeting.com/YP2025 at least 15 minutes before the Meeting starts. You should allow ample time to check into the virtual Meeting and to complete the related procedures.
2. Enter your 16-digit control number into the Shareholder Login section (your control number is located on your form of proxy) and click on "Enter Here".
3. Follow the instructions to access the Meeting and vote when prompted.

Even if you currently plan to participate in the virtual Meeting, you should consider voting your shares by proxy in advance so that your vote will be counted if you later decide not to attend the Meeting or in the event that you are unable to access the Meeting for any reason. If you access and vote on any matter at the Meeting during the live webcast, then you will revoke any previously submitted proxy.

...IF I AM A NON-REGISTERED SHAREHOLDER?

Non-Registered Shareholders wishing to access *and* vote at the Meeting during the live webcast can do so as follows:

1. Appoint yourself as proxyholder as described below under the heading "How do I Vote by Proxy or in Advance...if I am a Non-Registered Shareholder", including by providing an "Appointee Name" and designating an 8-character "Appointee Identification Number". Please note that these steps must be completed prior to the proxy deadline (defined below) or you will not be able to vote your Shares at the Meeting during the live webcast.
2. Follow the instructions below for proxyholders to log in and vote at the Meeting.

In the event that the proxy deadline is waived by the Corporation prior to the Meeting, all Non-Registered Shareholders will be able to access and vote at the Meeting in the same manner as for Registered Shareholders described above except that your 16-digit control number will be located on your voting information form or form of proxy. In that case, if you have previously provided voting instructions or appointed another person to vote on your behalf and you choose to access and vote on any matter at the Meeting during the live webcast then you will revoke all prior voting instructions or appointments. If you do not wish to revoke your prior instructions or appointments, you will still be able to access the Meeting and you will be able ask questions. You should not assume that the proxy deadline will be waived in whole or in part, and you should vote prior to the Meeting or appoint yourself or another person to vote on your behalf at the Meeting prior to the proxy deadline to ensure your vote is counted at the Meeting.

A Non-Registered Shareholder wishing to access the Meeting without voting during the live webcast – for example, because you have provided voting instructions prior to the Meeting or appointed another person to vote on your behalf at the Meeting – can access the Meeting in the same manner as for Registered Shareholders described above using the 16-digit control number located on your voting information form or form of proxy. You will be able to ask questions if you access the Meeting in this manner.

...IF I AM A PROXYHOLDER?

If you have been appointed as proxyholder for a Registered Shareholder or Non-Registered Shareholder (or you are a Non-Registered Shareholder who has appointed themselves as proxyholder), you can access and vote at the Meeting during the live webcast as follows:

1. Log into www.virtualshareholdermeeting.com/YP2025 at least 15 minutes before the Meeting starts. You should allow ample time to check into the virtual Meeting and to complete the related procedures.
2. Enter the Appointee Name and Appointee Identification Number exactly as it was provided to Broadridge by the Shareholder who appointed you as proxyholder and click on "Enter Here". If this information is not provided to you by such Shareholder, or if you do not enter it exactly as that Shareholder provided it to Broadridge, you will not be able to access the Meeting or vote their Shares on their behalf during the live webcast.

If you have been appointed as proxyholder for more than one Shareholder, you will be asked to enter the Appointee Information for each separate Shareholder in order to vote the applicable Shares on their behalf at the Meeting.

3. Follow the instructions to access the Meeting and vote when prompted.

All Shareholders must provide the Appointee Information to their appointed proxyholder exactly as they provided it to Broadridge online at www.proxyvote.com or on their voting information form or form of proxy in order for their proxyholder to access and vote their shares at the Meeting during the live webcast. Proxyholders who have forgotten or misplaced the applicable Appointee Information should contact the shareholder who appointed them as quickly as possible. If that Shareholder has forgotten or misplaced the applicable Appointee Information, they should follow the steps described under the heading "How do I access and vote at the Meeting...if I am a Non-Registered Shareholder" as quickly as possible.

...IF I AM A GUEST?

If you wish to access the Meeting as a guest, you can log into the Meeting as set out below. Note that guests will be able to listen to the Meeting but will not be able to ask questions or vote. If you wish to contact the Board chair or any member of the Board, you may do so by contacting the office of the Secretary as it is otherwise provided on the website of Yellow Pages Limited (www.corporate.yip.ca). Please read and follow the instructions below carefully.

1. Log into www.virtualshareholdermeeting.com/YP2025 at least 15 minutes before the Meeting starts. You should allow ample time to check into the virtual Meeting and to complete the related procedures.
2. Complete the GUEST LOGIN section and Click on "Enter Here".

ASKING QUESTIONS AT THE MEETING

The Corporation believes that the ability to participate in the Meeting in a meaningful way, including asking questions, is important. Registered Shareholders, proxyholders and Non-Registered Shareholders will have an opportunity to ask questions at the Meeting in writing by sending a message to the chair of the Meeting online through the virtual Meeting platform. It is anticipated that Shareholders will have substantially the same opportunity to ask questions on matters of business at the Meeting as in past years when the annual shareholders meeting was held in person.

The Corporation is committed to addressing questions submitted by Shareholders during the Meeting. Any questions pertinent to the Meeting that cannot be answered during the Meeting due to time constraints will be answered and posted online at www.corporate.yp.ca. Posted questions may be summarized or grouped together. Such questions and answers will be available as soon as practicable after the Meeting and will remain available for one week after posting.

Questions from Shareholders and proxyholders that do not relate to the formal business of the Meeting will be addressed during the question and answer period following the formal business of the Meeting. Questions directly related to a particular motion will be addressed once that motion has been introduced. The Corporation will only answer questions of interest to all Shareholders during the Meeting. Questions that are irrelevant to the business and affairs of the Corporation or the business of the Meeting; related to material non-public information of the Corporation; related to personal grievances or in furtherance of personal interests; derogatory or otherwise in bad taste; repetitive of those made by another Shareholders or proxyholders; or out of order or not otherwise appropriate, will not be accepted, all as determined by the chair of the Meeting.

DIFFICULTIES IN ACCESSING THE MEETING

If you encounter any difficulties accessing the virtual Meeting during the check-in or Meeting time, please call the technical support number that will be posted on the Virtual Shareholder Meeting log in page.

If you are accessing the Meeting, you must remain connected to the internet at all times during the Meeting in order to vote when balloting commences. It is your responsibility to ensure internet connectivity for the duration of the Meeting. Note that if you lose connectivity once the Meeting has commenced, there may be insufficient time to resolve your issue before ballot voting is completed. Therefore, even if you currently plan to access the Meeting and vote during the live webcast, you should consider voting your shares in advance or by proxy so that your vote will be counted in the event you experience any technical difficulties or are otherwise unable to access the Meeting.

HOW DO I VOTE BY PROXY OR IN ADVANCE...

Providing voting instructions online at www.proxyvote.com or by telephone or signing and returning the form of proxy or voting information form sent to you along with the notice, in each case in accordance with the instructions provided below and on your form of proxy or voting information form, authorizes Rob Hall and David A. Eckert (the "named proxyholders") to vote your Shares at the Meeting in accordance with your instructions. **Each Shareholder is entitled to appoint a person or company other than the individuals named in the form of proxy (who needs not be a Shareholder) to represent such Shareholder at the Meeting.**

...IF I AM A REGISTERED SHAREHOLDER?

If you do not intend to access and vote at the Meeting during the live webcast, you are encouraged to provide your voting instructions to the named proxyholders by internet at www.proxyvote.com or by telephone, or by returning the form of proxy to Broadridge, in each case in accordance with the instructions appearing on the form of proxy.

Alternatively, you are entitled to appoint some other person or company (who need not be a Shareholder) to represent you at the Meeting. Since the Meeting will take place virtually, the process for appointing another person as your proxyholder (other than the named proxyholders) to access the Meeting and vote on your behalf is different than it would be for an in-person meeting. You must therefore follow the instructions on your form of proxy very carefully, including:

- inserting an "Appointee Name" and designating an 8-character "Appointee Identification Number" (together, this is the "Appointee Information") online at www.proxyvote.com or in the spaces provided on your form of proxy; and
- informing your appointed proxyholder of the exact Appointee Name and 8-character Appointee Identification Number prior to the Meeting. Your proxyholder will require both your Appointee Name and Appointee Identification Number in order to access the Meeting and vote on your behalf.

You are encouraged to appoint your proxyholder online at www.proxyvote.com in accordance with the instructions on the form of proxy as this will reduce the risk of any mail disruptions in the current environment and will allow you share the Appointee Information you have created with your appointed proxyholder more easily. You may also complete and return your form of proxy by following the instructions on your form of proxy.

Please note that if you wish to appoint a person as your proxyholder other than the named proxyholders and you do not designate the Appointee Information as required when completing your appointment online or on your form of proxy or if you do not provide the exact Appointee Name and Appointee Identification Number to that other person, that other person will not be able to access the Meeting and vote on your behalf.

What is the Deadline for Returning my Proxy?

You are encouraged to provide your voting instructions or appoint your proxyholder online at www.proxyvote.com or by telephone, each in accordance with the instructions on the form of proxy, as this will reduce the risk of any mail disruptions in the current environment. These instructions must be provided by no later than 11:00 a.m. (Eastern Time) on May 12, 2025 or if the Meeting is adjourned, at least 48 hours (not including Saturdays, Sundays or statutory holidays in Ontario) prior to the reconvened meeting (the "proxy deadline"). If you prefer, you may also complete and return your form of proxy to Broadridge at: Data Processing Centre, P.O. Box 3700 STN Industrial Park, Markham, ON, L3R 9Z9, in which case Broadridge must receive your completed form of proxy prior to the proxy deadline.

Providing your voting instructions to the named proxyholder or appointing another person as your proxy will ensure your vote is counted at the Meeting even if you later decide not to attend the Meeting or are unable to access the Meeting in the event of technical difficulties. If you access and vote on any matter at the Meeting during the live webcast, any proxy you have previously submitted will be revoked.

If I Change my Mind, how can I Revoke my Proxy?

You may revoke any prior proxy by providing new voting instructions or appointment information at www.proxyvote.com at a later time or a new form of proxy with a later date. However, for your new voting instructions or appointment to be effective they must be received by Broadridge no later than 11:00 a.m. (Eastern Time) on May 12, 2025, or if the Meeting is adjourned, at least 48 hours (not including Saturdays, Sundays or statutory holidays in Ontario) prior to the reconvened meeting.

You may also revoke any prior proxy: (i) by depositing an instrument in writing executed by the Shareholder or by the Shareholder's legal representative authorized in writing or, if the Shareholder is a corporation, under the corporate seal or by an officer or legal representative thereof duly authorized at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used; or (ii) in any other manner permitted by law. If you access the virtual Meeting and vote on any matter during the live webcast, you will revoke any previously submitted proxy.

The registered office of the Corporation is located at 1751 Rue Richardson, Suite 8.300, Montréal, Québec H3K 1G6. If you wish to provide new voting instructions and not simply revoke your proxy (unless the proxy deadline is waived), your new voting instructions must be received by Broadridge no later than 11:00 a.m. (Eastern Time) on May 12, 2025, or if the Meeting is postponed or adjourned, by no later than 48 hours prior to the time of such postponed or adjourned meeting (excluding Saturdays, Sundays and holidays). The Corporation reserves the right to accept late proxies and to waive the proxy cut off with or without notice, but is under no obligation to accept or reject any particular late proxy.

.....IF I AM A NON-REGISTERED SHAREHOLDER?

All of the Shares beneficially owned by a Non-Registered Shareholder are registered in the name of a depositary or a nominee such as a trustee, financial institution or securities broker (an "intermediary"). For example, Shares listed in an account statement provided by the broker of a Shareholder are not registered in the Shareholder's name.

Applicable securities laws require Shareholders' intermediaries to seek voting instructions from them in advance of the Meeting. Accordingly, you will receive or have already received from your intermediary a request for voting instructions for the number of Shares you beneficially own. This form will include instructions on how to provide voting instructions to your intermediary or to appoint yourself or another person to access and vote at the Meeting on your behalf during the live webcast.

Giving Your Voting Instructions

You may provide your voting instructions by following the instructions on the voting instruction form provided to you by your intermediary. You are encouraged to do so online at www.proxyvote.com or by telephone if your intermediary provides you with this option. You may also mark your voting instructions on the voting instruction form or form of proxy provided to you by your intermediary, sign it, and return it as instructed and within the timelines provided by your intermediary. Your voting instructions must be received by Broadridge by the proxy deadline.

Appointing Yourself (or Another Person) to Vote at the Meeting

If you wish to access the virtual Meeting and vote during the live webcast (or appoint another person to do so, other than the named proxyholders), you are encouraged to make this appointment online at www.proxyvote.com using the instructions provided on your voting instruction form or form of proxy, if your intermediary provides you with this option. Alternatively, you may do so by inserting your name (or the name of such other person) in the space provided for the proxyholder appointment in your voting instruction form, and return it as instructed by your intermediary. Do not complete the voting section of the voting information form or form of proxy, since you or your designate will vote at the Meeting during the live webcast.

Since the Meeting will take place virtually, the process for any Non-Registered Shareholder to appoint themselves or another person (other than the named proxyholders) to access and vote at the Meeting during the live webcast is different than it would be for an in-person meeting. In addition to the steps above, you must follow the additional instructions on your voting instruction form or form of proxy very carefully, including:

- inserting an "Appointee Name" and designating an 8-character "Appointee Identification Number" online at www.proxyvote.com or in the spaces provided on your form of proxy. You must complete this step regardless of whether you wish to appoint yourself or another person (other than the named proxyholders); and
- if you have appointed someone other than yourself to access and vote at the Meeting on your behalf, informing your appointed proxyholder of the exact Appointee Name and 8-character Appointee Identification Number prior to the Meeting.

You are encouraged to appoint yourself or such other person (other than the named proxyholders) online at www.proxyvote.com as this will reduce the risk of any mail disruptions in the current environment and will allow you to share the Appointee Information you have designated with any other person you have appointed to represent you at the Meeting more easily. If you do not designate the Appointee Information as required when completing your appointment online or on your voting information form or if you do not provide the exact Appointee Identification Number and Appointee Name to any other person (other than the named proxyholders) who has been appointed to access and vote at the Meeting on your behalf, neither you nor that other person, as applicable, will be able to access the Meeting and vote.

You are encouraged to provide your voting instructions or appointment online at www.proxyvote.com in accordance with the instructions on your voting instruction form or form of proxy and you must do so by no later than 11:00 a.m. (Eastern Time) on May 12, 2025 or if the Meeting is adjourned, at least 48 hours (not including Saturdays, Sundays or statutory holidays in Ontario) prior to the reconvened meeting. In order to be effective, your new voting instructions or appointment must be received by Broadridge before 11:00 a.m. (Eastern Time) on May 12, 2025, or if the Meeting is adjourned, at least 48 hours (not including Saturdays, Sundays or statutory holidays) prior to the reconvened meeting. Instructions received after such deadline but before the Meeting may only be effective to revoke any prior instructions or appointment. Otherwise, contact your intermediary if you want to revoke your prior voting instructions or appointment.

If you are eligible to access and vote at the Meeting during the live webcast and you have previously provided voting instructions or appointed another person to vote on your behalf you may access the Meeting and revoke your prior instructions or appointments, but you will not be able to vote on any matter at the Meeting during the live webcast unless the proxy deadline has been waived. If you do not wish to revoke your prior instructions or appointments, you will still be able to access the Meeting and you will be able ask questions.

Proxies, voting instructions and appointments received after the proxy deadline may only be effective to revoke previously submitted proxies, voting instructions or appointments. The Corporation reserves the right to accept late proxies, voting instructions and appointments and to waive the proxy deadline with or without notice, but is under no obligation to accept or reject any particular late proxy, voting instructions or appointments.

HOW WILL MY SHARES BE VOTED IF I GIVE MY PROXY?

At the date of this Proxy Circular, the Directors know of no such amendments, variations or other matters. If matters which are not known at the date hereof should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the person named in the proxy.

(2) Rob Hall was appointed to the Audit Committee on February 15, 2018 and named its Chair on May 11, 2018. On May 9, 2024, Mr. Hall stepped down as Chair of the Audit Committee and was appointed to Chair of the Board.

(3) Following Rob Hall's appointment to Chair of the Board on May 9, 2024, Susan Kudzman was appointed Chair of the Audit Committee and Chair Emerita of the Board. Ms. Kudzman subsequently stepped down from the Board on November 11, 2024 and, as such, was no longer on the Board of Directors at the meeting held December 16, 2024.

BOARD INDEPENDENCE

The Board, on advice of the Corporate Governance and Nominating Committee, has determined that all the Directors, other than Sherilyn King, David A. Eckert and Treena Cooper, are independent as such term is defined in National Instrument 52-110 – *Audit Committees of the Canadian Securities Administrators ("CSA")* and do not have a material relationship with the Corporation. Ms. King is not independent because she is the President of the Corporation. Mr. Eckert is not independent because he is the Chief Executive Officer of the Corporation until July 15, 2025, following which Ms. King shall be appointed President and Chief Executive Officer. Ms. Cooper is not independent because she held a position as an executive officer of the Corporation within the last three (3) years. As a result, the Board is expected to be 50% independent until Mr. Eckert's anticipated departure on July 15, 2025. Consistent with the Corporate Governance Guidelines (see Schedule A) the Directors meet in camera at every Board and Committee meeting without the President or CEO or other members of Management present to ensure free and open discussion amongst themselves.

DIRECTOR SERVICE ON OTHER BOARDS AND BOARD INTERLOCKS

To ensure our Board remains strongly independent and that all Directors are able to properly discharge their duties to act effectively and in the best interest of the Corporation, the Board actively reviews the number of outside boards on which any one Director sits. Specifically, the Board has determined that:

- *Maximum directorships:* Directors should limit the number of Boards of Directors on which they serve to no more than four (4) public company boards, including the Corporation.
- *Maximum audit committee memberships:* Members of the Audit Committee of the Corporation shall not simultaneously serve on the audit committees of more than three (3) public companies, including the Corporation's Audit Committee.

All the proposed nominees, who are also the current Directors, currently meet the foregoing guidelines, except Treena Cooper, who cannot serve on the Audit Committee until three (3) years after her departure from her position as an executive officer of the Corporation. The Board is fully satisfied that each Director has sufficient time, attention and ability to devote the time required to be a high-performing contributor to the Board. Each Director has demonstrated the necessary commitment to do so as is evidenced by the attendance record.

The Corporate Governance Guidelines of the Corporation provide that: (i) before accepting any new outside board assignment (or any new private company or government board assignment which involves a meaningful time commitment), Directors must formally inform the Chair of the Corporate Governance and Nominating Committee to ensure that such new board assignment will not create a conflict of interest with his or her position as a Director; (ii) any new public company board assignment on which another Director already serves is subject to the approval of the Corporate Governance and Nominating Committee to limit the number of board and committee interlocks to no more than two (2) instances where two (2) of the Corporation's Directors could generally serve on the same outside board or outside board committees; (iii) any outside board assignment of the President and Chief Executive Officer of the Corporation is subject to the prior approval of the Board; and (iv) no officer of the Corporation shall serve as a director of a company to which an independent Director of the Corporation is an officer.

The directorships of the Directors in other public companies in a Canadian or foreign jurisdiction are included under "Election of the Board of Directors – Nominees".

DIRECTOR TENURE

The following chart indicates the number of years the Directors seeking election or re-election have served on the Corporation's Board:

As at March 25, 2025, the Corporation's average Board tenure for Directors seeking election or re-election is 3.5 years.

ORIENTATION AND CONTINUING EDUCATION

The Corporate Governance and Nominating Committee is responsible for developing and reviewing the Corporation's orientation and continuing education programs for Directors. New Directors are provided with an extensive information package on the Corporation's business, its strategic and operational plans, its governance system and its financial position (including analyst reports), director and officer liability insurance coverage information as well as copies of minutes of meetings of the Board and of the Committees held during the previous year. New Directors also meet with the President and Chief Executive Officer and the Senior Vice-President and Chief Financial Officer of the Corporation as well as other officers as necessary to discuss and review these matters and familiarize themselves with the function, significant risks, priorities, opportunities and most substantial challenges of the Corporation and the industry in which it operates.

Board members have regular access to the Corporation's senior management to discuss Board presentations and other matters of interest. Additionally, Board members are encouraged to share the best practices they observe on other boards they sit on.

The Corporation also encourages its Board members to attend external continuing education programs and bears the cost of such attendance to the extent reasonable.

EVALUATION OF BOARD AND COMMITTEE PERFORMANCE

Normally, the Corporate Governance and Nominating Committee conducts a formal assessment with respect to the performance and effectiveness of the Board, its Committees, Board and Committee chairs and individual Directors. The comprehensive evaluation process includes the two (2) primary components noted below.

Online Survey: Each Director was required to complete a comprehensive online survey of approximately fifty (50) questions that dealt with a wide range of Board-related matters including effectiveness, composition and monitoring of the Board and its Committees, oversight of senior management, Director education and risk oversight.

One-on-One Meetings: The Chair of the Corporate Governance and Nominating Committee together with the Chair of the Board held "one-on-one" meetings with each of the individual Directors to obtain feedback on Board and Committee performance. Preliminary discussion points were circulated before the meeting to frame the discussion with each Director. The discussion points related to the review of the Online Survey results, performance of the Board and Committees, the Chair and the Chief Executive Officer, effectiveness of communication at the Board, performance and personal contribution of each Director and suggestions for improvement. The resulting information was compiled and analyzed by the Chair of the Corporate Governance and Nominating Committee and reported on to the Board.

The Corporate Governance and Nominating Committee conducted a formal assessment in 2022. The next formal assessment was to be conducted in 2024 but will instead be conducted in 2025.

COMPENSATION OF DIRECTORS

In 2024, each Director who is not a salaried officer of the Corporation or any of its subsidiaries (a “**Non-Executive Director**”) received compensation for serving on the Board consisting of a cash retainer and an annual equity retainer payable in deferred share units, as well as cash payments for serving as chair on a Board Committee, if applicable. In addition, each new Director was awarded a one-time deferred share unit grant of \$75,000 or received an equivalent amount in cash for joining the Board. See “Election of the Board of Directors – Compensation of Directors – Deferred Share Unit Plan” for a description of the deferred share unit plan adopted by the Corporation. The table below highlights the annual Director compensation structure for 2024.

ANNUAL BOARD COMPENSATION STRUCTURE	DIRECTOR AMOUNT	CHAIR AMOUNT

Equity board retainer (in the form of deferred share units) ⁽¹⁾	\$65,000	\$107,500

⁽¹⁾ Beginning in 2023, Eligible Directors were able to elect to receive up to 100% of their annual retainer for service on the Board in either cash or DSUs. During the fourth quarter of 2024, the Board approved the termination and liquidation of the Deferred Share Unit Plan, effective as of December 16, 2024 as described in greater detail in the present section.

There are no meeting fees payable to the Directors. Directors required to travel more than 1,000 kilometers to attend Board and Committee meetings receive a \$1,500 travel fee for in-person meetings. The Corporation also reimburses out-of-pocket expenses incurred by the Directors to attend Board and Committee meetings. There were no in-person meetings held in 2024, but Mr. Hall was present at the Corporation’s offices for one meeting in 2024.

During the fourth quarter of 2024, the Board approved the termination and liquidation of the Deferred Share Unit Plan, effective as of December 16, 2024 and the payment of all accrued benefits thereunder based on the volume weighted average trading price of the Corporation’s common share for the five days immediately preceding December 13, 2024. As of January 1, 2025, the annual cash retainer is \$250,000 for the Chair of the Board and \$150,000 for the other Non-Executive Directors. The current committee retainers set forth above remain in effect for 2025.

DEFERRED SHARE UNIT PLAN

The deferred share unit plan of the Corporation was adopted on June 12, 2013 and subsequently amended and restated effective as at October 20, 2013 and on August 4, 2022 (the “**DSU Plan**”). Deferred share units (“**DSUs**”) are a notional unit granted or credited to an Eligible Participant’s account that, subject to the provisions of the DSU Plan, entitled an Eligible Participant to receive, on a deferred basis, a Share (purchased on the secondary market) or the cash equivalent thereof, at the discretion of the Corporation, upon redemption. DSUs may have been granted to any Director (an “**Eligible Director**”) or employee of the Corporation (or any subsidiary of the Corporation) designated by the Board (an “**Eligible Employee**”, and together with an Eligible Director, an “**Eligible Participant**”). Beginning in 2023, Eligible Directors were able to elect to receive up to 100% of their annual retainer for service on the Board in either cash or DSUs. Eligible Employees were able to elect to receive up to 100% of their annual base compensation and short-term incentive plan payment in the form of DSUs. DSUs were not assignable or transferable other than by will or the laws of descent and distribution.

The number of DSUs issued to each Eligible Participant who elected to receive DSUs was determined by dividing the amount of the Eligible Participant’s annual retainer or annual base compensation and short-term incentive plan payment to be provided in DSUs, if applicable, by the volume weighted average trading price of the Shares on the TSX for the five (5) trading days ending on the trading day immediately preceding the date of grant. Whenever the Corporation declared a common share dividend, additional DSUs were credited to the participant’s account on each dividend payment date and were equivalent in value to the dividend paid on common shares.

Unless otherwise determined by the Board in its sole discretion, in the event that an Eligible Participant that was an Eligible Director ceased to be an Eligible Director (and was not at that time an employee of the Corporation or any of its affiliates) before the last day of a fiscal year, one-twelfth (1/12th) of the DSUs granted in respect of such fiscal year (including the associated DSUs following payment of a dividend on the Shares) vested for each completed month of active service prior to the Eligible Participant’s termination date in that fiscal year, and all unvested DSUs expired and were cancelled on his or her termination date. In the case of any Eligible Participant who was considered to be a “U.S. Participant” under the DSU Plan, all DSUs held by such Eligible Participant were redeemed one-hundred and eighty (180) days from such Eligible Participant’s termination date (as defined in the DSU Plan). The Board reserved the right to amend, suspend or terminate the DSU Plan, or any portion thereof, at any time.

During the fourth quarter of 2024, the Board determined that the modified share ownership guidelines for Non-Executive Directors (see below) better promote alignment of interests between Directors and Shareholders and consequently approved the termination and liquidation of the DSU Plan, effective as of December 16, 2024. The accrued benefits are payable in lump sum to each Participant and calculated by multiplying the number of DSUs credited to the Participant’s account by the volume weighted average trading price of the Corporation’s common shares for the five days immediately preceding the effective termination date.

SHARE OWNERSHIP GUIDELINES FOR NON-EXECUTIVE DIRECTORS

The Board approved amendments to the Corporation’s share ownership guidelines on December 16, 2024. The Corporation’s current share ownership guidelines require that Non-Executive Directors hold common shares in the Corporation worth at least \$450,000. For purposes of share ownership guidelines for Non-Executive Directors, the value of Shares is calculated based on the value which is the higher of: (i) the value of the Shares based on their respective purchase price; and (ii) the market value of the Shares based on the closing price of the Shares on the TSX on the calculation date. If a Director does not currently meet the share ownership requirement herein described, then whenever the Corporation makes a cash payment of compensation to such Director, such Director shall use 10% of the pre-tax amount of that payment to purchase common shares of the Corporation on the open market. Any payments made to a Director in respect of accrued benefits under the DSU Plan are exempt from this requirement. Directors are prohibited from hedging the value of the Corporation’s securities that they hold. The table below illustrates the percentage of attainment of the ownership guidelines by the Non-Executive Directors as at December 31, 2024.

Name	Minimum Ownership Requirement (\$)	Value of Ownership Interest ⁽¹⁾ (Shares) (\$)	Actual Percentage of Minimum Ownership Requirement (%)
Craig Forman	450,000	25,323	6
Rob Hall	450,000	Nil	0
Treena Cooper	450,000	Nil	0
Martin Harrison	450,000	Nil	0

(1) The value of ownership interest is calculated based on the closing price of the Shares on the TSX on December 31, 2024 (which was \$11.85).

Ms. Cooper received a payment in respect of her outstanding DSUs (\$91,344.88) on December 20, 2024, while Mr. Hall received a payment in respect of his outstanding DSUs on January 17, 2025. EXECUTIVE COMPENSATION

THE BOARD OF DIRECTORS' LETTER TO SHAREHOLDERS

Dear Shareholders:

On behalf of the Human Resources and Compensation Committee and the Board, we are pleased to share with you the approach to executive compensation, including the framework we used to make our compensation decisions for 2024. Our focus continued to be the delivery of value to the Corporation's stakeholders, the attraction and retention of the right talent and the alignment of compensation to the current dynamics facing the Corporation.

Given the need for a turnaround plan in late 2017, the Board implemented a compensation framework in 2018 that was significantly different from the previous years. As the Corporation would continue to progress through its turnaround in 2024, the Board decided it was appropriate to maintain the same framework as 2018 for the annual short-term incentive plan ("STIP") and in order to maintain a sense of urgency as the Corporation completes its turnaround it made certain modifications to the long-term incentive plan ("LTIP") for all eligible employees, including executive management team. Details on both the STIP and the LTIP are described below.

Corporate Performance Highlights

In 2024, the Corporation continued to make progress on the execution of its strategy to complete its financial turnaround. The successful execution of a number of steps taken by the Corporation throughout the year has led to achieving a number of significant financial and non-financial milestones upon which our executive compensation decisions have been based. These financial and non-financial metrics include:

- Adjusted EBITDA was \$50.8 million in 2024 with an Adjusted EBITDA margin of 23.7%, despite ongoing investments in new revenue initiatives;
- Adjusted EBITDA less CAPEX was \$48.4 million in 2024 compared to \$72.9 million in 2023, resulting in Adjusted EBITDA less CAPEX margin of 22.5%;
- Cash on hand of \$44.2 million as of December 31, 2024;
- The modification of the quarterly common share dividend policy in the first quarter of 2024, whereby the Corporation increased its cash dividend of \$0.20 per Share, to \$0.25 per Share (an increase of 25%), for a total of \$13.6 million dividend payments to our common Shareholders during the year;
- Investment in revenue initiatives, including continued expansion of the tele-sales force, in order to accelerate our acquisition of customers. This contributed to the improvement in the decline rate of total revenues which was in part fueled by a 28% increase in new customer acquisitions year-over-year; and
- Consistent with our deficit reduction plan announced May 2021, during 2024 the Corporation made \$6.0 million of voluntary incremental payments towards our Defined Benefit Pension Plan's wind-up deficit, these marking the last voluntary payments intended under the deficit reduction plan. As a result of the deficit reduction plan and the advancement of the voluntary incremental cash contributions to the Pension Plan pursuant to the Plans of Arrangement in 2022 and 2023, the wind-up ratio of our Defined Benefit Pension Plan reached over 95%.

Definition of Adjusted EBITDA and Adjusted EBITDA margin: The Corporation reports on Income from operations before depreciation and amortization and restructuring and other charges (defined herein as Adjusted EBITDA). Adjusted EBITDA is derived from revenues less operating costs, as shown in Yellow Pages Limited's consolidated statements of income. Adjusted EBITDA margin is defined as the percentage of Adjusted EBITDA to revenues. Adjusted EBITDA and Adjusted EBITDA margin are not performance measures defined under IFRS Accounting Standards and are not considered to be an alternative to income from operations or net earnings in the context of measuring Yellow Pages' performance. Adjusted EBITDA and Adjusted EBITDA margin do not have a standardized meaning under IFRS Accounting Standards and are therefore not likely to be comparable with similar measures used by other publicly traded companies. For further details, refer to the section entitled "Definition of Non-GAAP Financial Measures Relative to Understanding Our Results" on page 4 of the Corporation's Management Discussion and Analysis for the year ended December 31, 2024, which section is incorporated by reference herein and as filed on the Corporation's website www.yip.ca and on SEDAR+ at www.sedarplus.ca.

Definition of Adjusted EBITDA less CAPEX and Adjusted EBITDA less CAPEX margin: Adjusted EBITDA less CAPEX and Adjusted EBITDA less CAPEX margin are non-GAAP financial measures and do not have any standardized meaning under IFRS Accounting Standards. Therefore, they are unlikely to be comparable to similar measures presented by other publicly traded companies. We define Adjusted EBITDA less CAPEX as Adjusted EBITDA, as defined above, less CAPEX, which we define as additions to intangible assets and additions to property and equipment as reported in the Investing Activities section of the Corporation's consolidated statements of cash flows. Adjusted EBITDA less CAPEX margin is defined as the percentage of Adjusted EBITDA less CAPEX to revenues. The most comparable financial measure under IFRS Accounting Standards to Adjusted EBITDA less Capex is Income from operations before depreciation and amortization, and restructuring and other charges (defined above as Adjusted EBITDA) as shown in Yellow Pages Limited's consolidated statements of income. For further details, refer to the section entitled "Definition of Non-GAAP Financial Measures Relative to Understanding Our Results" on page 4 of the Corporation's Management Discussion and Analysis for the year ended December 31, 2024, which section is incorporated by reference herein and as filed on the Corporation's website www.yip.ca and on SEDAR+ at www.sedarplus.ca.

ANNUAL SHORT-TERM INCENTIVE PLAN

Plan Design

As noted above, the framework of the STIP was changed in 2018 and has been maintained in subsequent years. The 2024 STIP had two (2) measurements of achievement, Financial and Non-Financial. The metrics of the Financial measurement, weighted at 75%, was based on Adjusted EBITDA less CAPEX (as defined above). The metrics of the Non-Financial measurement, weighted at 25%, was based on discretionary metrics to be assessed by the Board. Considering the complexities of such a turnaround, the Board determined that achievement would be assessed at its discretion along the scale of: Poor (0 payout), Good (payout at 100%) or Excellent (200%).

See "Executive Compensation – Discussion and Analysis – Total Compensation Components – Annual Short-Term Incentive Plan" for details.

Results

As noted above in Corporate Performance Highlights and further explained in the section “Executive Compensation – Discussion and Analysis – Total Compensation Components – Annual Short-Term Incentive Plan – 2024 STIP Payout”, the Corporation achieved important results on the Financial and Non-Financial measures. Given these achievements and in a context where the employees of the Corporation had not received standard inflation increases to base salary for over seven years and received only modest increases last year, the Board assessed performance to be Excellent and awarded a payout at 175% of target, comprised of a payout of 200% of target on Financial measures and 100% payout on Non-Financial measures. To determine the 2024 STIP payouts for each Named Executive Officer, see section “Executive Compensation – Discussion and Analysis – Total Compensation Components – Annual Short-Term Incentive Plan – 2024 STIP Payout” for details.

LONG-TERM INCENTIVE PLAN

2024 Plan

As the turnaround of the Corporation is ongoing, the total long-term grant value of the 2024 long-term incentive plan (“LTIP”) for Senior-Vice Presidents remained the same as 2018, whereby 100% was in stock options (“Options”), or in the case of Mr. Ireland, Share Appreciation Rights (“SARs”) in lieu of Options. For Vice-Presidents, 70% of the grant value was in Options and 30% in restricted share units (“RSUs”)(see section “Executive Compensation – Discussion and Analysis – Long-term Incentive Programs – 2024 Grant” for details).

Conclusion

We believe that the Corporation’s executive compensation policy and programs are designed to properly align the Corporation’s objectives and executive rewards, thus encouraging appropriate behaviour. The HRCC and Board will continue to review and implement changes as needed to the executive compensation policy and programs as the Corporation moves to complete its financial turnaround.

DISCUSSION AND ANALYSIS

This section discloses the Corporation's executive compensation philosophy, approach and components, and explains in greater detail the process followed by the Human Resources and Compensation Committee (the "**HRCC**") regarding executive pay.

DETERMINING COMPENSATION

HUMAN RESOURCES AND COMPENSATION COMMITTEE

The 2024 compensation of executive officers of the Corporation, including the President and Chief Executive Officer, the Senior Vice-President and Chief Financial Officer and the two (2) next most highly compensated executive officers of the Corporation or its Subsidiaries (collectively, the "**Named Executive Officers**"), was determined by the Board following the recommendation of the HRCC.

All the members of the HRCC, with exception of Treena Cooper, are independent Directors. The HRCC collectively has the knowledge, experience and background required to fulfill its mandate and to make decisions on the suitability of the Corporation's compensation policies, as discussed in "Election of the Board of Directors – Human Resources and Compensation Committee". Further, the HRCC fully understands the long-term implications and limitations of the key elements of compensation described in "Executive Compensation – Discussion and Analysis – Compensation Philosophy and Objectives". See "Elections of the Board of Director – Human Resources and Compensation Committee" and "Schedule 'A' Disclosure of Corporate Governance Practices – Committees of the Board – Human Resources and Compensation Committee" for a description of meetings held and matters undertaken in 2024 by the HRCC.

COMPENSATION DECISION PROCESS AND RISK MANAGEMENT

The HRCC aims at designing and developing compensation programs that ensure the Corporation attracts and retains the right talent and aligns compensation with the dynamics facing the Corporation. When making decisions about executive pay, the HRCC considers a number of factors, both quantitative and qualitative. While quantitative analysis and best practices are important factors that the HRCC relies on when analyzing executive pay, discretion, judgment and prior compensation experience are instrumental in delivering programs that are in the best interest of the Corporation. The HRCC follows a rigorous process when establishing objectives for different pay-at-risk programs. Payment is made at the end of the performance period provided the actual achievement exceeds the threshold or minimum level of performance required. The Board also maintains discretion over final payout, regardless of the achievement of specific performance metrics. The Corporation also maintains share ownership guidelines, restrictions on hedging and a clawback policy, all of which are designed to mitigate risk. The HRCC considers the implications of the possible risks associated with the Corporation's compensation programs in order to mitigate potential undesired outcomes of having executives take excessive risks when managing the Corporation. The HRCC did not identify any risks arising from the Corporation's compensation policies and practices that are reasonably likely to have a material adverse effect on the Corporation.

SHARE OWNERSHIP GUIDELINES AND RESTRICTIONS ON HEDGING FOR EXECUTIVES

In May 2013, the HRCC reviewed and implemented new share ownership guidelines for the Named Executive Officers and other executives of the Corporation. The purpose of the guidelines is to promote the ownership of the Corporation's Shares by the executives to align their interests with those of the Shareholders. Notwithstanding the foregoing, Mr. Eckert is not bound by said guidelines considering his employment agreement is subject to fixed term agreements. However, Mr. Eckert is bound by post-employment holding obligations. For further information see "Executive Compensation – Discussion and Analysis – Employment Agreements, Terminations and Change of Control Benefits". Under the guidelines, the executives are required to hold a certain value, equal to a multiple of their base salary (the "**Minimum Share Ownership**"), in Shares, DSUs⁽¹⁾, RSUs or Options. Senior Vice-Presidents are to hold two times their base salary and Vice-Presidents are to hold one time their base salary. Under the current guidelines, the executives must achieve the Minimum Share Ownership within five (5) years of their appointment. The extent to which the Minimum Share Ownership is achieved is evaluated annually. The executives' Minimum Share Ownership is calculated using the value of Shares, DSUs⁽¹⁾, RSUs and Options held by an executive. For Options, the value is based on the value of the Option award at time of grant, and for Shares, DSUs⁽¹⁾ and RSUs, the value is based on the value which is the higher of: (a) the value of the Shares (or underlying Shares in the case of DSUs⁽¹⁾ or RSUs) based on their respective purchase price or award price; and (b) the market value of the Shares (or underlying Shares in the case of DSUs⁽¹⁾ or RSUs) based on the closing price of the Shares on the TSX on December 31 of the last year then ended. Executives are prohibited from purchasing financial instruments to hedge or offset a decrease in market value of the Corporation's securities that they hold and must retain Shares underlying a minimum of 25% of their exercised Options until they achieve their Minimum Share Ownership. Executives are also prohibited from granting charges (such as hypothecs or pledges) on their Shares. As of March 25, 2025 all of the Named Executive Officers subject to the guidelines achieved their Minimum Share Ownership.

(1) The Board approved the termination and liquidation of the Deferred Share Unit Plan, effective as of December 16, 2024.

EXECUTIVE COMPENSATION CLAWBACK POLICY

The Board adopted an executive compensation clawback policy (the "**Clawback Policy**") concerning awards made under the Corporation's annual and long-term incentive plans. Under this policy, which applies to all executive officers, including the Named Executive Officers, the Board may, in its sole discretion, to the full extent permitted by governing laws and to the extent it determines it is in the best interests of the Corporation to do so, require reimbursement of all or a portion of annual or long-term incentive compensation previously received by an executive officer. The Board may seek reimbursement of full or partial compensation from an executive officer or former executive officer in situations where:

- (a) the amount of a bonus or incentive compensation was calculated based upon, or contingent on, the achievement of certain financial results that were subsequently the subject of or affected by a restatement of all or a portion of the Corporation's financial statements;
- (b) the executive officer engaged in gross negligence, intentional misconduct or fraud that caused or partially caused the need for the restatement; and
- (c) the amount of the bonus or incentive compensation that would have been awarded to or the profit realized by the executive officer had the financial results been properly reported would have been lower than the amount actually awarded or received.

The Clawback Policy provisions have been communicated to all executive officers, including the Named Executive Officers, as part of their total compensation statements and are part of their award agreements.

COMPENSATION CONSULTANT

As provided in its charter, the HRCC has the authority to retain and does retain the services of executive compensation consultants to provide advice on executive compensation matters. Executive compensation services, as well as other services provided by such executive compensation consultants at the request of Management, must be pre-approved by the HRCC. The HRCC also has the authority to determine and approve the fees of its consultants. In addition, the Corporate Governance and Nominating Committee has the authority to retain and does retain, from time to time, the services of compensation consultants to provide advice on director compensation matters.

In 2018, the HRCC retained the services of Willis Towers Watson ("**Towers**"), an independent executive and director compensation consulting firm and Towers reported directly to the Chair of the HRCC. In 2024, Towers' mandate covered the following:

- Review of the Report on Executive Compensation section of the Corporation's management proxy circular;
- Review of short and long-term incentive plan design for the Named Executive Officers and other employees of the Corporation; and
- Review compensation arrangements proposed for executives.

The HRCC was satisfied that the advice received from Towers was objective and independent. The HRCC's decisions with regards to the compensation programs of the Corporation were its sole responsibility and may have reflected factors and information other than information and recommendations provided by Towers.

In 2016, Management retained Towers to conduct executive compensation benchmarking for the Named Executive Officers and other executive positions of the Corporation as part of the review of the Corporation's pay positioning policy at that time. No such benchmarking has been conducted by Management since.

The following table sets forth the fees paid to Towers for compensation-related services as well as other fees for 2024 and 2023:

	2024	2023
Type of Fees	(\$)	(\$)
Executive Compensation Related Fees ⁽¹⁾	43,588	21,368
All Other Fees	-	-
Total Fees	43,588	21,368

(1) Such fees were for Human Resources and Compensation Committee mandates.

COMPENSATION PHILOSOPHY AND OBJECTIVES

Although the Corporation entered into a renewed turnaround at the end of 2017, the objectives of the Corporation's executive compensation philosophy remain unchanged. The objectives are to deliver programs that attract and retain highly qualified executives, motivate their performance, and align their interests with those of the Shareholders. Therefore, the compensation philosophy provides that the Corporation's executives receive total compensation that:

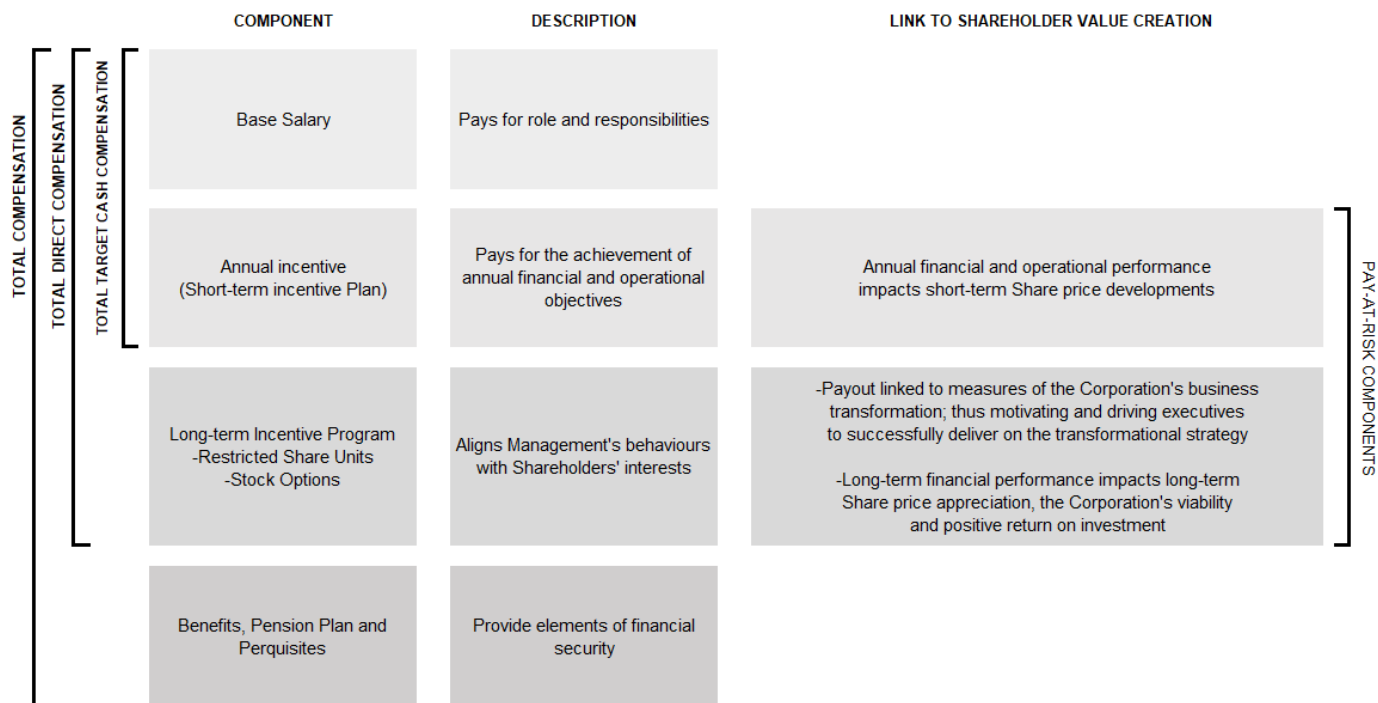

- Supports the Corporation's turnaround; and
- Pays for performance.

The HRCC reinforces the pay-for-performance philosophy by allocating a significant portion of total compensation to pay-at-risk components. As discussed under "Executive Compensation – Discussion and Analysis – Determining Compensation – Compensation Decision Process and Risk Management", the HRCC typically reviews the appropriateness of the Corporation's compensation philosophy and objectives on an annual basis. The HRCC typically reviews the competitiveness of the Corporation's executive compensation periodically. The analysis usually includes a review of base salary, target annual short-term incentive, target total cash, target long-term incentive, and target total direct compensation (i.e., total target cash plus long-term incentive) for each executive position.

Benchmarking against a comparator group was not performed in 2024 and the HRCC determined that previous benchmarking against suggested comparator groups performed in 2015 and refreshed in 2016 are no longer relevant or applicable to the Corporation. Once the turnaround is complete, the HRCC will consider performing further benchmarking.

TOTAL COMPENSATION COMPONENTS

As can be seen in the graph below, the total compensation of the Named Executive Officers consisted of base salary, annual short-term incentive award, long-term incentive programs, and benefits, pension and perquisites. Considering the Corporation began its turnaround in 2017, and continues to be in a turnaround since then, the Board decided to remove PSUs from the equity mix of long-term incentive plan of Named Executive Officers and PSUs from the equity mix of the Corporation's long-term incentive plan.

As in prior years, the pay-at-risk components in 2024 represented a significant portion of total compensation as can be seen in the compensation mix pie chart below. This is consistent with the compensation philosophy of the HRCC. Considering Mr. Eckert was given a one-time, front-loaded grant when his second employment agreement extended for a further two-year term on September 15, 2022, Mr. Eckert's LTIP Target has been annualized over the remainder of the term (until July 15, 2025) of his employment agreement in the compensation mix pie chart graph below. Furthermore, the 2023 RSU Grant to the current Named Executive Officers has been annualized over the remainder of the vesting period (until December 31, 2025).

BASE SALARY

The HRCC determines the base salary for executives of the Corporation, including the Named Executive Officers, based on recommendations from Management considering the going market rate, individual executive performance and corporate objectives for the year, and skills and expertise. In 2024, the HRCC decided to make no adjustments to the base salaries of the executives of the Corporation.

ANNUAL SHORT-TERM INCENTIVE PLAN

All of the Corporation's executives, including the Named Executive Officers, participate in the Corporation's annual short-term incentive plan (the "STIP"). The STIP aims to reward executives for their effectiveness in achieving the short-term financial success of the Corporation and meeting key operational targets. The STIP pays for the achievement of annual objectives as evaluated by the Board. Each Named Executive Officer has an annual STIP target award expressed as a percentage of base salary. The respective 2024 STIP target awards for the Corporation's executives are detailed in the table below:

Position	Annual STIP Target Award (% of Base Salary)	Maximum Payout (% of Base Salary)
President and Chief Executive Officer ⁽¹⁾	100	200
Senior Vice-Presidents (or other equivalent positions)	50	100

(1) As per the terms of the President and Chief Executive Officer's employment agreement.

In 2024, the HRCC reviewed the STIP for executives, including the Named Executive Officers, to ensure that the indicators used represent key drivers of the Corporation in order to drive the right behaviours. The HRCC decided to maintain the construct of the STIP established in 2018. The HRCC maintained discretion to adjust the final payout based on the Corporation's overall financial performance. The HRCC maintained the targets and maximum payouts under the STIP as a percentage relative to base salary. Further, the HRCC reviewed the individual performance of the Named Executive Officers when determining the final STIP payouts to allow for recognition of exceptional achievements.

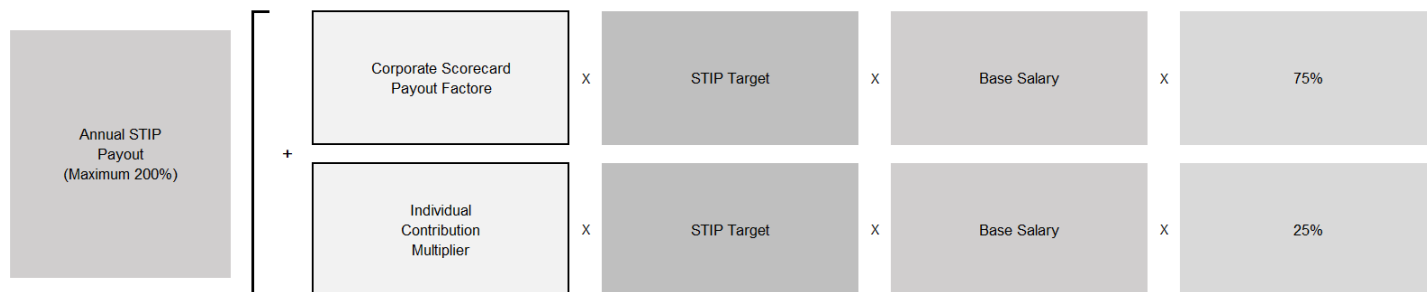

As can be seen from the Corporate Performance Scorecard found below, the 2024 STIP was based on a Corporate Scorecard which consisted of Financial and Non-Financial measures, having a weight of 75% and 25% respectively. Performance is assessed at the Board's discretion on the following scale: Poor (0% payout), Good (payout at 100%) or Excellent (200%) depending on achievement.

CORPORATE SCORECARD			
Financial Measures	Weighting	Non-Financial Measures	Weighting
Adjusted EBITDA less CAPEX ⁽¹⁾	75%	Discretionary measure	25%

(1) Adjusted EBITDA less CAPEX is a non-GAAP measure. See section "Executive Compensation – The Board of Director's Letter to Shareholders" for the Adjusted EBITDA less CAPEX definition.

The Financial and Non-Financial measures established in 2024 were intended to ensure that the annual STIP rewarded executives for ensuring the Corporation successfully delivered the realignment of its cost structure throughout the year in order to stabilize and grow the business over the long-term. Executives' objectives (the individual multiplier) were fully aligned with the Corporation's strategic objectives. The individual multiplier factor was intended to reward the demonstration of key leadership competencies that supported the Corporation's turnaround. The maximum payout factor is 200% of the Executives' Annual STIP Target Award (a percentage of base salary) if all individual objectives reached their maximum level and the Corporate Scorecard reached up to 200%. If the Corporate Scorecard or the individual objectives were not achieved at target but reached or exceeded the applicable minimum thresholds for payout, the annual STIP payout would be proportionately lower.

The annual STIP payout is calculated as follows:

2024 STIP PAYOUT

The results for the purposes of the 2024 STIP were approved in February 2025.

Financial Measurements

Despite having put in place a number of initiatives more fully described below under "Non-Financial Measurements", and revenues having declined \$24.6 million compared to 2023, the Corporation generated strong cashflow and finished the year with \$44.2 million cash on hand. Adjusted EBITDA was \$50.8 million in 2024 with an Adjusted EBITDA margin of 23.7% vs 32.1% in 2023. Lastly, Adjusted EBITDA less CAPEX was \$48.4 million in 2024, compared to \$72.9 million in 2023, resulting in Adjusted EBITDA less CAPEX margin of 22.5% vs 30.4% in 2023.

Non-Financial Measurements

Following the Corporation's announcement in February 2024 to increase the quarterly cash dividend to its common Shareholders to \$0.25 per share from \$0.20 per share, a total of \$13.6 million in dividends was paid to Shareholders in 2024. Following the Plans of Arrangement in 2022 and 2023 whereby the Corporation made voluntary contributions totalling \$36 million to the Pension Plan, 2024 saw the Corporation reach an important milestone as it completed the last voluntary payment of \$6.0 million under the Deficit Reduction Plan. As a result of the Deficit Reduction Plan and the advancement of the voluntary cash contributions to the Pension Plan by way of said Plans of Arrangement, the wind-up ratio reached over 95%, significantly ahead of target and the Board approved a plan to de-risk the Pension Plan and protect the realized investment gains and wind-up ratio.

Lastly, the Corporation continued to make measured and purposeful investments in the business. The Corporation continues to expand its tele-sales capacity and offer enhanced website solutions via its partnership with Wix all the while maintaining employee engagement at high levels.

Given the Corporation's significant achievements on the Financial and Non-Financial measures, the Board assessed performance to be Excellent and awarded a payout at 175% of target, comprised of a payout of 200% of target on Financial measures and 100% payout on Non-Financial measures. In addition, the HRCC reviewed individual performance and key accomplishments and deliverables of each Named Executive Officer for 2024 and determined respective individual multipliers of 175% for each Named Executive Officer. As a result, the final 2024 STIP payouts to the Named Executive Officers were as follows:

Named Executive Officer	2024 STIP Target (\$)	Corporate Scorecard Payout Factor	Individual Multiplier	2024 STIP Payout (\$)
David A. Eckert	875,000	175%	175%	1,531,250
Franco Sciannamblo	170,000	175%	175%	297,500
John Ireland	197,506	175%	175%	345,636
Sherilyn King	150,004	175%	175%	262,507

LONG-TERM INCENTIVE PROGRAMS

The LTIP design is reviewed annually by the HRCC in order to maintain alignment between the interests of the Corporation's Named Executive Officers and other executives with those of the Corporation's Shareholders and focus on long-term Shareholder value creation.

The annual LTIP awarded to the executives and key management employees of the Corporation is designed to:

- Encourage long-term Shareholder value creation;
- Provide executives with line of sight between performance indicators they could directly impact and their compensation; and
- Attract and retain executives.

Except for the President and the Chief Executive Officer, each Named Executive Officer has an annual LTIP target award expressed as a percentage of their base salary equivalent to eighty-five percent (85%), 100% of which is in the form of Options or SARs.

On July 16, 2020, the Corporation entered into a second, three-year Employment Agreement with Mr. Eckert. Under the terms of the second Employment Agreement, Mr. Eckert was granted a one-time LTIP award comprised of Options, SARs and RSUs. In 2022, the Corporation amended Mr. Eckert's second employment agreement to extend the term for a further two-year period, now ending on July 15, 2025. In connection with the extension of his employment agreement, Mr. Eckert was granted a one-time LTIP award comprised of Options, SARs and RSUs in 2022. Mr. Eckert is not entitled to further LTIP grant awards during the two-year extended term of his employment agreement.

2021, 2022, 2023 AND 2024 LTIP VESTING

Pursuant to the Long-Term Incentive Plan Grant Agreement executed on September 15, 2022, Mr. Eckert was granted 532,862 Options and 584,018 SARs at an exercise price of \$12.72 per share. One half (1/2) of the Options and SARs vested on the anniversary of July 15, 2023 and the remaining vest on the second anniversary. After vesting, the Options are exercisable until December 31, 2025 and the vested SARs are exercisable until December 31 of the year in which they vest. Further, Mr. Eckert was granted 149,371 RSUs, of which 65,514 of the RSUs vest on the second anniversary of July 15, 2023 and one half (1/2) of the remaining portion equivalent to 83,857 of the RSUs vest on each of the first two anniversaries of July 15, 2023.

On July 15, 2024, 266,431 of the Options and 292,009 of the SARs granted to Mr. Eckert in 2022 vested, and 47,475 RSUs (inclusive of additional RSUs credited to Mr. Eckert further to the Corporation having declared dividends) granted to Mr. Eckert vested and were paid out, at a market price of \$9.461 (calculated by using the volume weighted average trading price of a share on the Toronto Stock Exchange for the five (5) trading days preceding the date of vesting).

The 2021 LTIP annual grant consisted of a combination of RSUs and Options awarded to certain senior management employees. The Named Executive Officers, Ms. King and Messrs. Sciannamblo and Ireland received 100% of their long-term incentive awards in Options. The RSUs granted to senior management were contingent on a three-year time-based vesting condition to be confirmed at the time of the approval of the December 31, 2023 financial statements. Pursuant to the vesting and exercise period of the Options granted in 2021, 50% of the Options granted vested on February 25, 2024 and had to be exercised by no later than August 25, 2024.

The 2022 LTIP annual grant consisted of a combination of RSUs and Options awarded to certain senior management employees. The Named Executive Officers, Ms. King and Messrs. Sciannamblo and Ireland received 100% of their long-term incentive awards in Options. The RSUs granted to senior management were contingent on a three-year time-based vesting condition to be confirmed at the time of the approval of the December 31, 2024 financial statements. Pursuant to the vesting and exercise period of the Options granted in 2022, 25% of the Options granted vested on February 23, 2024 and had to be exercised by August 23, 2024. 50% of the Options granted vested on February 21, 2025 and must be exercised by no later than August 21, 2025.

The 2023 LTIP annual grant consisted of a combination of RSUs and Options awarded to certain senior management employees. The Named Executive Officers, Ms. King and Messrs. Sciannamblo and Ireland received 100% of their long-term incentive awards in Options. The RSUs granted to senior management were contingent on a three-year time-based vesting condition to be confirmed at the time of the approval of the December 31, 2025 financial statements. Pursuant to the vesting and exercise period of the Options granted in 2023, 25% of the Options granted vested on February 21, 2024 and had to be exercised by August 21, 2024. 25% of the Options granted vested on February 21, 2025 and must be exercised by no later than August 21, 2025. 50% of the Options granted vest on February 21, 2026 and must be exercised no later than August 21, 2026.

On February 12, 2025, the Board approved the surrender of the exercisable options that vested in 2025 in exchange for a cash payment equal to the volume weighted average trading price of a share on the Toronto Stock Exchange for the five (5) trading days preceding the date of surrender, minus the grant price, multiplied by the number of Options granted to the participant.

The following table indicates the amounts (in dollars or Share value) for the Options, SARs and RSUs received by the eligible Named Executive Officer in the settlement of the 2021, 2022, 2023 and 2024 LTIP Grants awards:

Named Executive Officer	LTIP Grant Date Value Awarded (\$) ⁽¹⁾	LTIP Payout (\$) ⁽²⁾
David A. Eckert	4,883,333	449,171
Franco Sciannamblo	289,000	46,434
John Ireland	335,750	53,947
Sherilyn King	219,938	40,972

(1) For Mr. Eckert, this value was calculated by multiplying the number of Options and SARs by the fair value at grant date being \$2.67 and by multiplying the RSUs awarded at the time of grant, by the volume weighted average price of underlying Shares, being \$12.72. For Mr. Sciannamblo, Mr. Ireland and Ms. King, this value was calculated based on their LTIP target (as a percentage of salary) at the time of grants.

(2) For Mr. Eckert, this payout was calculated by multiplying the number of RSUs (including additional RSUs credited further to the Corporation having declared dividends) by \$9.46, which was the price of the Shares during the settlement period, which was completed on July 15, 2024. For Messrs. Sciannamblo and Ireland and Ms. King, this payout was calculated by multiplying the portion of Vested Options and, in the case of Mr. Ireland, the Vested SARs, from the 2024 LTIP Grant by the difference between the grant price, being \$10.5950, and the volume weighted average trading price of the underlying Shares of the five (5) days preceding their surrender of \$11.2087. As of March 25, 2025, Messrs. Sciannamblo and Ireland and Ms. King have not surrendered or exercised any of their 2022 or 2023 Vested Options as they were out of the money and the 2021, 2022, 2023 Vested Options (tranches which vested in February 2024) expired without being surrendered or exercised in August 2024.

2024 LTIP GRANT

As previously noted, to align the interests of the Corporation's eligible Named Executive Officers and other executives with those of the Shareholders and to focus on long-term Shareholder value creation and taking into account that the Corporation continues to execute on a turnaround plan, the HRCC determined that it was appropriate to continue in 2024 with the equity mix established in 2018. Named Executive Officers (other than the President and

Chief Executive Officer, who received a one-time grant in 2022 as more fully described below) received 100% of their grants in Options or SARs under the 2012 Stock Option Plan or 2017 Share Appreciation Rights Plan (as defined below).

To maintain a sense of urgency as the Corporation completes its turnaround, to focus efforts to deliver consistent performance over the long term and to promote retention, the HRCC determined it was appropriate to maintain the vesting and exercise periods for the Options granted in 2024 that were initially implemented for the Options granted in 2020. In particular, the Options granted in 2024 vest and become exercisable in the following manner: 25% vest on the first anniversary of the grant date, an additional 25% vest on the second anniversary and the final 50% vest on the third anniversary, and executives have one hundred and eighty days (180) after each vesting date to exercise the Options. In February 2025, the Board approved that eligible employees could surrender the exercisable Options having vested in 2025 for cancellation in exchange for a cash payment equal to the amount by which the fair market value of the share on the date of the surrender exceeds the exercise price. In 2024, Mr. Ireland was granted an equivalent amount of SARs, subject to the 2017 Share Appreciation Rights Plan, in lieu of stock options. The SARs in question were calculated in the same manner as the Options granted to the other Named Executive Officers, with exception of Mr. Eckert, and the vesting and exercise period of the SARs granted to Mr. Ireland follow the same schedule as the Options granted in 2024, namely, 25% vesting on February 26, 2025, 25% on February 26, 2026, and 50% on February 26, 2027 and must be exercised no later than August 26, 2025, 2026 and 2027, respectively.

Other executives and key management employees of the Corporation would have received a mix of Options and RSUs. There is no performance condition for the RSUs to vest. The RSUs will vest upon the date of the approval of the financial statements as at December 31, 2026, which is expected to occur in February 2027 and subject to the participant's continued employment with the Corporation.

Named Executive Officers (other than the President and Chief Executive Officer) were awarded a fixed dollar incentive amount granted in Options or SARs based on a percentage of their base salary, as set forth in the table below. The actual number of Options or SARs granted to the Named Executive Officers is shown in the Outstanding Share-based Awards and Option-based Awards table in the section "Executive Compensation – Discussion and Analysis – Incentive Plan Awards" and is determined after having made use of a Black Scholes award model.

Position	Annual LTIP Target of Base Salary	Mix of 2024 LTIP Instruments			
		Stock Options	SARs	Performance Share Units	Restricted Share Units
President and Chief Executive Officer	279% ⁽¹⁾	55%	6%	Nil	39%
Senior Vice-Presidents	85%	100% ⁽²⁾	-	-	-

(1) Represents the grant award received by Mr. Eckert on September 15, 2022 annualized over the two year extended term of his employment agreement.

(2) Mr. Ireland received SARs in lieu of stock options.

SUMMARY OF THE STOCK OPTION PLAN, RSU/PSU PLAN AND THE SHARE APPRECIATION PLAN

2012 STOCK OPTION PLAN

The 2012 Stock Option Plan was adopted on December 20, 2012. This long-term incentive plan is intended to: (i) attract and retain the services of selected employees and officers of the Corporation or an affiliate (as defined in the CBA), which is also a related person as defined under Section 251 of the *Income Tax Act* (Canada), and any other entity declared by the Board to an affiliated entity for the purpose of the 2012 Stock Option Plan (each an "**Affiliated Entity**"), who are in a position to make a material contribution to the successful operation of the business; (ii) provide a meaningful incentive to Management to lead the Corporation through the turnaround of its business; and (iii) more closely align the interests of management with those of the Shareholders.

The 2012 Stock Option Plan makes available up to 1,290,612 Shares for issuance pursuant to the exercise of Options. This number of shares available for issuance was increased to 2,806,932 further to Shareholder approval received at the Corporation's Annual General Meeting on May 11, 2018. The 2012 Stock Option Plan was further amended by Shareholder approval received at the Corporation's Annual and Special General Meeting on May 13, 2020, to provide for a cashless exercise feature, payable in cash, without a full deduction of the underlying Shares from the plan reserve. The amendment permits, subject to approval of the Board or the Committee at the time of exercise, an option holder to elect to surrender an exercisable Option for cancellation in exchange for a cash payment equal to the amount by which the Fair Market Value (defined in the table below) of the Share on the date of surrender exceeds the exercise price. The underlying Shares in respect of the surrendered Option will be added back to the plan reserve. On May 13, 2021 the 2012 Stock Option Plan was amended and Shareholder approval was received at the Corporation's Annual General Meeting to (i) increase the number of Shares issuable to insiders, at any time, under the 2012 Stock Option Plan and any other security based compensation arrangements of the Corporation, from less than five percent (5%) to not exceed ten percent (10%) of the issued and outstanding Shares; (ii) the number of Shares issued to insiders, within any one (1) year period, under the 2012 Stock Option Plan and any other security based compensation arrangements of the Corporation, from less than five percent (5%) to not exceed ten percent (10%) of the issued and outstanding Shares; and (iii) the maximum aggregate number of Shares with regard to which awards may be made to any one participant under the 2012 Stock Option Plan and under any other security based compensation arrangements of the Corporation, from less than five percent (5%) to not exceed ten percent (10%) of the Shares issued and outstanding. In addition, the 2012 Stock Option Plan was amended to provide that any Shares repurchased by the Corporation for cancellation pursuant to a NCIB will not constitute non-compliance with these limits for any Options outstanding prior to such purchase of Shares for cancellation. On March 24, 2022, the Board approved an amendment to the 2012 Stock Option Plan to provide the Board of Directors the discretion to amend the exercise price of Options, subject to TSX approval, in the event a stock dividend or a cash dividend (other than an ordinary course cash dividend) is declared on the Corporation's common shares.

The term of outstanding Options under the 2012 Stock Option Plan (the "**Option Period**") may not exceed ten (10) years. However, should the Option Period expire during a period imposed by the Corporation during which Directors and certain employees of the Corporation shall not be permitted to trade in securities of the Corporation (a "**Blackout Period**"), or within ten (10) trading days after the expiration of the Blackout Period applicable to the relevant participant, the term shall be automatically extended and shall expire on the tenth (10th) trading day after the end of the applicable Blackout Period.

Under the terms of the 2012 Stock Option Plan, the Board or a Committee shall prescribe the date or dates upon which all or a portion of an Option becomes exercisable and may establish any performance criteria which must be met by a participant, the Corporation and/or Affiliated Entity in order for all or a portion of any Options to become exercisable.

The 2012 Stock Option Plan includes the following provisions:

Exercise Price	The exercise price shall not be less than the volume weighted average trading price of the Shares on the TSX for the five (5) trading days immediately preceding the grant date (the "Fair Market Value").
Grant Date	The grant date of an Option may be the date on which the Option is granted or, if determined by the Board at the time of grant, after the date the Board resolves to grant the Option, in order to ensure, among other things, that the Fair Market Value of the Option is calculated based on trading days outside of a Blackout Period.
Vesting	At the discretion of the Board, but shall be no later than the day preceding the tenth (10 th) anniversary of the grant date.
Transfer / Assignment of Options	Options may not be transferred or assigned, except in the event of death, where options can be exercised by the administrator of the participant's estate.
Circumstances under which an individual is no longer entitled to participate	<ul style="list-style-type: none"> • Resignation or Termination Without Cause – Except upon a resignation for good reason following a Change of Control: (i) each exercisable Option then held by the participant shall remain exercisable for a period of three (3) calendar months from the date of such cessation or termination, but not later than the end of the Option Period, and thereafter any such Option shall expire; and (ii) each non-exercisable Option then held by a participant shall expire immediately. • Termination for Cause – Unless the Board or a Committee otherwise provides, if a participant is dismissed for cause, each Option then held by the participant, whether or not exercisable on the date of such dismissal, shall immediately expire on the date of such dismissal. • Long-Term Disability – Each exercisable Option then held by the participant shall remain exercisable for a period of twelve (12) calendar months from the date of the long-term disability, but not later than the end of the Option Period, and thereafter any such Option shall expire; and each non-exercisable Option then held by a participant shall become exercisable on the date it would have been exercisable as if the participant had not ceased to be employed by the Corporation or an affiliated entity thereof and shall remain exercisable up to the earlier of twelve (12) calendar months from the date of the long-term disability or the end of the Option Period and thereafter any such Option shall expire. • Death – Each exercisable Option then held by the participant shall remain exercisable for a period of twelve (12) calendar months from the date of death, but not later than the end of the Option Period, and thereafter any such Option shall expire; and each non-exercisable Option then held by a participant shall become exercisable by the administrator or liquidator of his or her estate from the date of death and for a period of twelve (12) calendar months from such date, but not later than the end of the Option Period, and thereafter any such Option shall expire. • Retirement – If a participant retires and has reached the age of sixty (60) years old at the date of retirement: (i) each exercisable Option then held by the participant shall remain exercisable for a period of thirty-six (36) calendar months from the date of retirement, but not later than the end of the Option Period, and thereafter any such Option shall expire; (ii) each non-exercisable Option then held by the participant shall become exercisable as if the participant had not ceased to be employed by the Corporation or an affiliated entity thereof and shall remain exercisable up to the earlier of thirty-six (36) calendar months from the date of retirement or the end of the Option Period and thereafter any such Option shall expire. If a participant retires prior to the end of the Option Period and has not reached the age of sixty (60) years old at the date of retirement, (i) each exercisable Option then held by the participant shall remain exercisable for a period of twelve (12) calendar months from the date of retirement, but not later than the end of the Option Period, and thereafter any such Option shall expire; and (ii) each non-exercisable Option then held by the participant shall expire immediately.
Change of Control Definition	Change of Control shall mean: (i) a sale of all or substantially all of the assets of the Corporation; (ii) a sale, directly or indirectly, resulting in more than 50% of the voting securities of the Corporation being held, directly or indirectly, by another person; or (iii) a merger or consolidation of the Corporation into another person resulting in the members of the Board before such merger or consolidation no longer constituting a majority of the Directors of the resulting entity.
Change of Control	If a Change of Control occurs, unless otherwise determined by the Board, each Option, which is not converted into or substituted by an Alternative Award (as defined below) of a successor entity, shall become exercisable immediately prior to the consummation of the transaction constituting a Change of Control. An alternative award must, in the opinion of the Board: (i) be based on shares that are traded on an established Canadian or U.S. securities market; (ii) provide the participant with rights and entitlements substantially equivalent to or better than the rights, terms and conditions applicable under such Options, including, but not limited to, an identical or better exercise or vesting schedule and identical or better timing and methods of payment; and (iii) have substantially equivalent economic value to such Options (determined at the time of the Change of Control) (an "Alternative Award"). If Alternative Awards are available and a participant is terminated without cause or submits a resignation for good reason within twenty-four (24) calendar months after a Change of Control: (i) each exercisable Alternative Award then held by such participant shall remain exercisable for a period of twenty-four (24) calendar months from the date of termination or resignation, but not later than the end of the Option Period, and thereafter any such Alternative Award shall expire; and (ii) each non-exercisable Alternative Award then held by the participant shall become exercisable upon such termination or resignation and shall remain exercisable for a period of twenty-four (24) calendar months from the date of such termination or resignation, but not later than the end of the Option Period, and thereafter any such Alternative Award shall expire. The Board nonetheless may, in its sole discretion, accelerate the exercisability or vesting of all or any portion of the outstanding Options which are not then exercisable immediately prior to the consummation of the transaction constituting a Change of Control.
Plan Amendments	<p>The Board or HRCC, as provided in the 2012 Stock Option Plan or pursuant to a specific delegation, may, in addition to its powers under the 2012 Stock Option Plan, amend any of the provisions of the 2012 Stock Option Plan or suspend or terminate the plan or amend the terms of any then outstanding award of Options under the 2012 Stock Option Plan; provided, however, that the Corporation shall obtain Shareholder approval for any:</p> <ul style="list-style-type: none"> (a) amendment to the maximum number of Shares issuable under the plan; (b) increase to the number of Shares that may be issued to insiders or to any one participant under the plan, in both cases subject to certain adjustments in the case of reorganization of the share capital; (c) amendment which would allow non-employee Directors of the Corporation or of an affiliated entity to be eligible for awards of Options under the plan; (d) amendment which would permit any Option granted under the plan to be transferable or assignable other than by will or pursuant to succession laws (estate settlements); (e) addition of a cashless exercise feature, payable in cash or Shares, which does not provide for a full deduction of the number of underlying Shares from the plan reserve; (f) addition of provisions which results in participants receiving Shares while no cash consideration is received by the Corporation; (g) reduction in the exercise price of an Option after the Option has been granted to a participant or any cancellation of an Option and the substitution of that Option by a new Option with a reduced exercise price granted to the same participant, subject to certain adjustments in the case of reorganization of the share capital; (h) extension to the term of an Option beyond the original expiry date, except in a case of a Blackout Period; (i) addition in the plan of any form of financial assistance and any amendment to a financial assistance provision which is more favourable to participants; and (j) amendment to the amendment provision of the plan other than amendments of a "housekeeping" or clerical nature. <p>The Board or the HRCC, as provided in the 2012 Stock Option Plan or pursuant to a specific delegation, may, subject to receipt of requisite regulatory approval, where required, in its sole discretion, make all other amendments to the plan or awards of Options under the 2012 Stock Option Plan that are not contemplated above, including, without limitation, the following:</p> <ul style="list-style-type: none"> (a) amendments of a "housekeeping" or clerical nature as well as any amendment clarifying any provision of the 2012 Stock Option Plan; (b) changes to the vesting provisions of an Option or of the 2012 Stock Option Plan; (c) changes to the termination provisions of an Option or the plan which does not entail an extension beyond the original expiry date; and (d) in the event that the Shares are subdivided, consolidated, converted or reclassified by the Corporation, or that any other action of a similar nature affecting such Shares is taken by the Corporation, the adjustment of: (i) the Options held by each participant; and (ii) the number of Shares reserved for issuance under the plan in the same manner.
Financial Assistance	No financial assistance is provided by the Corporation to participants under the 2012 Stock Option Plan.

All executive officers, except for Mr. Eckert, are required to hold 25% of the Shares underlying exercised options until they meet their Minimum Share Ownership requirement. This measure was implemented to help the executives build ownership in the Corporation to further align their interests with those of the Shareholders. The awards are also subject to the Clawback Policy.

As at December 31, 2024, there were 2,020,826 Options outstanding under the 2012 Stock Option Plan, 1,487,964 Options outstanding excluding stock options payable in cash representing 10.82% of the Shares outstanding and 1,162,497 Options remaining for issuance excluding stock options payable in cash, representing 8.5% of the Shares outstanding. The following table highlights the maximum dilution over the past five (5) calendar years:

(1) At the Annual and Special Meeting of Shareholders held on May 13, 2020 an amendment to the 2012 Stock Option Plan was approved to provide for a cashless exercise feature, payable in cash, without a full deduction of the underlying shares from the plan reserve. Calculation for dilution and burn rate excludes these options payable in cash as these options do not impact the number of shares issuable from the plan reserve.

(2) The maximum possible dilution is calculated by dividing (i) the total number of Options remaining available for issuance plus the total number of Options issued and outstanding by (ii) the number of Shares outstanding at year end.

(3) The actual dilution is calculated by dividing the number of Options outstanding excluding options payable in cash by the number of Shares outstanding at year end.

(4) The burn rate is calculated by dividing the number of Options granted excluding stock options payable in cash during the year by the Weighted Average Number of Shares outstanding for the applicable fiscal year.

RESTRICTED SHARE UNIT AND PERFORMANCE SHARE UNIT PLAN

The RSU&PSU Plan was adopted and implemented in 2013 to provide eligible participants with compensation opportunities to enhance the Corporation's ability to attract, motivate and retain key employees, to reward the participants for significant performance and associated growth in the value for Shareholders, and to align the interest of the participants with those of the Shareholders. The Board has discretion to determine which employees of the Corporation will participate in the RSU & PSU Plan, the incentive amount granted under the RSU & PSU Plan, the split between RSUs and PSUs and related vesting conditions. The RSU & PSU Plan provides for grants of either RSUs or PSUs. Whenever the Corporation declares a Share dividend, additional RSUs are credited to the participant's account on each dividend payment date and are equivalent in value to the dividend paid on Shares. In 2023, the RSU & PSU Plan was amended to allow for the participants to elect to receive a cash payment in lieu of common shares.

RSU&PSU Plan Features	Restricted Share Units ("RSU")	Performance Share Units ("PSU")
Description	A RSU award allows the participant to obtain the number of underlying Shares of the Corporation subject to achievement of a time-based employment vesting condition, determined by the Board, i.e., the participant must be employed by the Corporation for a specific period of time.	A PSU award allows the participant to obtain the number of underlying Shares subject to the achievement of performance-based vesting conditions that must be met over a specific predetermined performance period.
Performance Measure	None.	Established by the Board.
Vesting / Term	Maximum thirty-six (36) months from the grant date.	
Amount and Price	The Board determines the incentive amount, expressed either as a fixed dollar amount or a fixed number of units. If a fixed dollar amount is granted, to determine the number of underlying share units to be awarded to a participant, the fixed dollar amount is divided by the volume weighted average trading price of the Shares on the TSX for the twenty (20) trading days immediately preceding the date of grant by the Board, then the exercise price is determined as the volume weighted average trading price of the Shares on the TSX for the five (5) trading days preceding the sixth full trading day immediately following the date of grant by the Board and the end of a Blackout Period as provided for in the Corporation's insider trading policy.	
Funding	The RSU & PSU Plan provides the Board with discretion to fund the grant, with underlying Shares being purchased on the open market or to have the grant unfunded, with notional restricted share units credited to each participant's account. In 2023, the RSU & PSU Plan was amended to allow for the participants to elect to receive a cash payment in lieu of Shares. The 2023 grant was fully funded and as such is non-dilutive as Shares underlying awards were purchased on the open market.	
Resignation or Termination for Cause	The participant ceases to be eligible for participation under the RSU & PSU Plan and all unvested RSUs and PSUs are cancelled.	
Retirement, Termination Without Cause, Long-Term Disability or Death	RSUs vest on a pro-rata basis with the numerator being the number of complete performance periods by the participant, and the denominator being the total number of performance periods, not exceeding three (3).	All unvested PSUs are cancelled.
Change of Control	Vesting of all outstanding RSUs and PSUs at target upon the occurrence of a change of control, whether or not such RSUs and PSUs have met the vesting conditions to the extent no alternative awards, as defined in the RSU & PSU Plan, are made following such change of control. If such alternative award is available and a participant is terminated without cause or resigns for good reason, as defined in the RSU & PSU Plan, within twenty-four (24) months after such change of control, each alternative award held by the participant shall vest. In such cases, participants have an option to receive the Share awards as Shares or as a cash payment, net of taxes.	

2017 SHARE APPRECIATION RIGHTS PLAN

The SARs Plan was adopted and implemented in 2017 to provide eligible participants with incentive compensation, based on the appreciation in value of the Corporation's Shares, thereby providing additional incentive for their efforts in promoting continued performance and associated growth in value for the Shareholders and to align the interests of the eligible participants with those the Shareholders. The Board has discretion to determine which employees of the Corporation will participate in the SARs Plan and the incentive amount granted under the SARs Plan.

SARs Plan Features	
Description	A SAR award shall confer an eligible participant to receive a payment in cash having a value equal to the excess of a) the Fair Market Value of the Shares on the date of the Vesting Date, less b) the volume weighted average trading price of the shares on the TSX for the five (5) trading days preceding the date of grant, multiplied by the number of shares with respect to which the Share Appreciation Rights shall be exercised.
Performance Measure	None
Vesting / Term	At the discretion of the Board, but shall be no later than the day preceding the tenth (10 th) anniversary of the grant date.
Amount and Price	The Board determines the number of SARs to be granted to any participant. The Fair Market Value of the SARs are determined by the volume weighted average trading price of the Shares on the TSX for the twenty (20) trading days preceding the approval of the award.
Termination for Cause	The participant ceases to be eligible for participation under the SARs Plan and all vested and unvested SARs are cancelled.
Resignation, Termination Without Cause	The participant ceases to be eligible for participation under the SARs Plan and non-exercisable SARs immediately expire. The participant has three (3) calendar months from cessation of employment date to exercise exercisable SARs or they expire.
Retirement, Long-Term Disability and Death	<u>Retirement</u> : for any participant who has reached the age of sixty (60) and retires (i) each exercisable SAR held by participant shall remain exercisable for a period of thirty-six (36) calendar months from the date of Retirement, but not later than the Expiry Date, thereafter any SARs shall expire; (ii) each non-exercisable SAR then held by the participant shall become exercisable as if the participant had not ceased to be employed and shall remain exercisable up to the earlier of thirty-six (36) calendar months from the date of retirement or the end of the Expiry Period and thereafter any such SAR shall expire. For any participant who has not reached the age of sixty (60) and retires (i) each exercisable SAR held by participant shall remain exercisable for a period of twelve (12) calendar months from the date of Retirement, but not later than the Expiry Date, thereafter any SARs shall expire; (ii) each non-exercisable SAR then held by the participant shall become exercisable as if the participant had not ceased to be employed and shall remain exercisable up to the earlier of twelve (12) calendar months from the date of retirement or the end of the Expiry Period and thereafter any such SAR shall expire. <u>Long-Term Disability or Death</u> : for any participant who ceases to be employed by the Corporation prior to the Expiry Date by reason of Long-Term Disability or death (i) each exercisable SAR then held by the participant (or administrator or liquidator in case of death) shall remain exercisable for a period of twelve (12) months from date of the Long-Term Disability or death, but no later than the end of the Expiry Period, thereafter any such SAR shall expire; (ii) each non-exercisable SAR then held by the participant (or administrator or liquidator) shall become exercisable on the date it would have been exercisable if the participant had not ceased to be employed by the Corporation by reason of Long-Term Disability or death and shall remain exercisable up to the earlier of twelve (12) calendar months from the date of the Long-Term Disability or death or the end of the Expiry Period, thereafter any such SAR shall expire.
Change of Control	Unless converted into or substitute by an alternative award, each SAR shall vest upon the occurrence of a change of control as defined in the SARs Plan. If such alternative award is available and a participant is terminated without cause or resigns for good reason, as defined in the SARs Plan, within twenty-four (24) months after such change of control, each alternative award held by the participant shall vest.

BENEFITS, PERQUISITES AND PENSION

Benefits

Benefit and pension plans provide elements of financial and health security to the Named Executive Officers. Except for Messrs. Eckert and Ireland, the Named Executive Officers participate in the same flexible benefits program as other employees of the Corporation receiving additional dollar credits to obtain enhanced or maximum coverage if required. The flexible benefits program includes medical and dental coverage, life and disability insurance and a health spending account. Mr. Eckert and Mr. Ireland were reimbursed for the annual cost of premiums with respect to a U.S. health care plan ("U.S. Health Plan") that covers both the Executive and their spouse at the level of coverage maintained at their employment start date. Further, the Corporation will provide other medical and dental benefits currently provided to other Named Executive Officers to the extent not covered by the U.S. Health Plan.

Perquisites

The perquisites program offers perquisites typically provided to senior executives in the market, such as car allowance, club memberships, annual medical examinations and home security services.

Pension

The Named Executive Officers who joined the Corporation before January 1, 2006 participate in the Corporation's Defined Benefit Pension Plan with supplemental pension benefits. Except for Mr. Eckert and Mr. Ireland (who do not participate in any pension plan), the Named Executive Officers and other executive officers who joined the Corporation on or after January 1, 2006 participate in the Corporation's Defined Contribution Plan. The value of the benefits under the pension plans, as well as the other relevant provisions thereof, are taken into account when determining the total compensation of the Named Executive Officers. A description of the plans is found below.

DEFINED BENEFIT PLANS

Sherilyn King and other employees of the Corporation who joined the Corporation prior to 2006 participate in the Corporation's Defined Benefit Pension Plan (the "Defined Benefit Pension Plan"). The annual pension from the Defined Benefit Pension Plan is based on years of service with the Corporation and the best sixty (60) consecutive months of pensionable earnings ("Earnings") with an annual accrual rate equal to 1% of the Earnings up to the Year Maximum Pensionable Earnings defined by the Canadian government ("YMPE") and 1.7% of the Earnings above the YMPE. As of July 1, 2013, all management employees of the Corporation participating in the Defined Benefit Pension Plan, including the Named Executive Officer, Ms. King, contribute 3% of their pensionable earnings to the plan. Further, the post-retirement pension indexing on pensionable service accumulated after July 1, 2013 has been eliminated. Pensions are payable during the lifetime of the Named Executive Officer. Assuming termination of employment after having reached age 55, the Corporation provides a supplementary pension allowance for earnings in excess of the maximum allowed under the Defined Benefit Pension Plan. Earnings for this purpose include salary and short-term incentive awards, up to the target, whether paid in cash or Shares.

PENSION BENEFIT TABLE

The following table provides for Ms. King, the only Named Executive Officer participating in the Defined Benefit Pension Plan, the number of years of credited service as at December 31, 2024, the annual lifetime benefits payable based on the years of credited service as at December 31, 2024 and, projected at age 65, the accrued obligation at the start of the fiscal year 2024 and as at December 31, 2024 and the difference between these last two amounts being split between compensatory and non-compensatory changes.

Named Executive Officers								
Name	Year	Number of years of credited service (#)	Annual benefits payable ⁽¹⁾		Opening Present Value of Defined Benefit Obligation (\$)	Compensatory Change ⁽³⁾ (\$)	Non-compensatory change ⁽⁴⁾ (\$)	Closing Present Value of Defined Benefit Obligation (\$)
			At year end ⁽²⁾ (\$)	At age 65 (\$)				
Sherilyn King	2024	28.6	-	236,100	2,391,200	25,300	156,900	2,573,400
	2023	27.6	-	219,100	1,667,800	418,600	304,800	2,391,200
	2022	26.6	-	198,200	2,300,600	21,700	(654,500)	1,667,800

(1) The benefits are not subject to any deductions for government benefits or other offset amounts. The benefits accumulated before July 1, 2013 is partially indexed annually to increases in the Consumer Price Index but in no case will indexation exceed 4%. Effective July 1, 2013, the post-retirement pension indexing is removed on pensionable service accumulated by the executives after July 1, 2013.

(2) Disclosure in such column represents the annual pension benefits payable to participants eligible for an immediate retirement at the end of the year based on their credited service at year-end. Under the Defined Benefit Pension Plan arrangements, participants must be aged 55 and older to be entitled to an immediate retirement. Ms. King has not yet reached that age and is therefore not eligible to an immediate pension at December 31, 2024. As such, no amount has been disclosed. For information purposes, the accrued pension amounts payable at age 65 based on years of credited service and average pensionable earnings at December 31, 2024 for Ms. King, who is not eligible to an immediate pension, was \$173,500.

(3) The compensatory change reflects the value of the projected pension benefits earned during fiscal year 2024 at a discount rate of 4.60% plus the change in the accrued obligation attributable to the impact of the differences between actual earnings (salary and bonus) for fiscal year 2024, and those assumed in the previous year's calculations, less employee contributions.

(4) The non-compensatory change amount represents the change in the accrued obligation attributable to items that are not related to salary and bonus decisions, such as assumptions, the date from which the results are extrapolated, the interest on the accrued obligation at the start of fiscal year 2024 and employee contributions.

All assumptions underlying the figures in the above table are the same as those used by the Corporation for financial statement purposes. Pensionable earnings as at December 31, 2024 are expected to increase up to retirement age at an annual rate of 1.8% plus productivity, merit and promotional scale. The discount rate used to calculate the defined obligation was 4.60% as of December 31, 2024, 4.60% as of December 31, 2023 and 5.20% as of December 31, 2022. The discount rate used to calculate the following year service cost was 4.60% as of December 31, 2022, 5.20% as of December 31, 2022 and 3.40% as of December 31, 2021. Those key assumptions and methods used to determine estimated amounts may not be identical to those used by other issuers and as a result, the figures may not be comparable with those of other companies.

DEFINED CONTRIBUTION PROVISIONS

Mr. Sciannamblo as a Named Executive Officer, and Canadian executive officer who joined the Corporation after January 1, 2006, participates in the Corporation's Capital Accumulation plans (the "Defined Contribution provisions"). Effective July 1, 2013, the Corporation's default contribution for all management employees was set at 2% of pensionable earnings and the employees could receive additional contributions from the Corporation, up to a maximum of 3%, if they also contribute to the Defined Contribution provisions. Each participant has the responsibility to allocate the Corporation's contributions made in his or her registered account among the investment options offered under the Defined Contribution provisions and the rate of return depends on the performance of such investments. The Corporation's contributions and any investment returns are immediately vested. The total amount of the employee's and Corporation's contributions are limited to the maximum allowed under the *Income Tax Act* (Canada) for registered plans. When the amount of the executive's and Corporation's contributions in any given year reaches the limit prescribed under the *Income Tax Act* (Canada), the executive and Corporation's contributions cease in the registered account and deemed contributions from the Corporation start to accumulate in the defined contribution notional account (the "Defined Contribution Notional Account"). Deemed contributions are calculated based on the Corporation's average contribution rate from the first date contributions were made during the calendar year up to the date the tax limits were first reached during the calendar year. Plan members' contributions are not allowed from that date to the end of the calendar year. The Defined Contribution Notional Account vests only upon reaching age 55 and is credited annually at the rate of return of a Canadian Index Bond Fund. The Defined Contribution Notional Account accumulates until termination, retirement or death, at which point it is paid in cash to the employee or beneficiary. The Defined Contribution Notional Account is not payable when termination, retirement or death occurs prior to age 55. Earnings include salary and short-term incentive awards, up to the target, whether paid in cash or Shares.

The following table shows amounts from the Defined Contribution provisions for each applicable Named Executive Officer subject to their pension arrangement:

Name	Year	Accumulated Value at Start of Year	Compensatory Change ⁽¹⁾	Accumulated Value at End of Year ⁽²⁾
		(\$)	(\$)	(\$)
Franco Sciannamblo	2024	184,377	28,876	213,253

(1) Represents the Corporation's contributions paid to the Defined Contribution provisions on behalf of the Named Executive Officer for the year ended December 31, 2024. The amounts include contributions paid by the Corporation to the Defined Contribution Notional Account on behalf of Mr. Sciannamblo of \$12,631.

(2) Represents the accumulated value of the total contributions by the Corporation to the Named Executive Officer's account at the end of 2024, excluding interest earned on the Corporation's contributions.

PERFORMANCE GRAPH

The following graphs and tables compare the total cumulative return on \$100 invested on the first day of the five-year period in Shares with the cumulative total return on the S&P/TSX Composite Total Return Index (assuming in both cases reinvestment of dividends and trust distributions (as applicable) as of the date of payment of same) and the Named Executive Officers' total compensation, as described in more detail below.

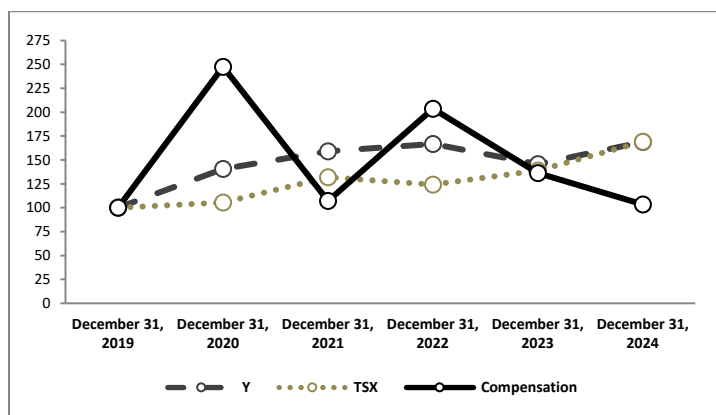

Performance Graph A includes the total compensation of the Named Executive Officers in 2024, namely the President and Chief Executive Officer, the Senior Vice-President and Chief Financial Officer, the Senior Vice-President, Organizational Effectiveness, and the Senior Vice-President, Sales, Marketing and Customer Service.

Further, the Performance Graph A reflects the LTIP one-time grant awards received in 2020 and 2022 by David A. Eckert, the President and Chief Executive Officer. It should be noted that under the terms of Mr. Eckert's Amendment to his Employment Agreement dated September 15, 2022, he is not entitled to receive additional LTIP grants until the term of the second employment agreement has ended.

Performance Graph B annualizes the one-time LTIP grant awards received in 2017, 2020 and 2022 by the President and Chief Executive Officer over the respective terms of his employment agreements and annualizes the one-time RSU grant of 41,134 RSUs (with a grant date value of \$12.7865 per RSU) issued to the current Named Executive Officers (excluding the President and Chief Executive Officer) in May 2023 over the vesting period (until December 31, 2025).

Both Performance Graph A and B include the 2024 annual STIP payout of 175% to applicable Named Executive Officers, which reflects the achievement on the Adjusted EBITDA less CAPEX well above target. Both Performance Graphs A and B reflect the annual awards granted under the LTIP to other Named Executive Officers, as well as the one-time RSU grant provided on May 23, 2023.

SUMMARY COMPENSATION TABLE

The following table provides a summary of the compensation earned in respect of the 2024, 2023 and 2022 fiscal years by each of the Named Executive Officers for services rendered in all capacities to the Corporation. The Share-based awards made to Ms. King and Messrs. Sciannamblo and Ireland represent the one-time LTIP grant awarded to them in on May 23, 2023. The Share-based and Option-based awards made to Mr. Eckert in 2022 represented the one-time LTIP grant awarded for the two-year extension (until July 15, 2025). Mr. Eckert is not entitled to receive additional LTIP awards during the extended term. (1) The dollar value disclosed in this column represents the grant date fair value calculated as at the applicable grant date. There is no difference between the grant date fair value for accounting purposes and the grant date fair value for compensation purposes.

(2) The dollar value disclosed in this column represents the grant date fair value calculated as at the applicable grant date using the Black-Scholes option-pricing model for 2022, 2023 and 2024 based on the following factors, key assumptions and plan provisions:

- February 2022 option grant: (i) Volatility: 39%, (ii) Dividend yield: 4.40%, (iii) Weighted average remaining life: 2.5 years, (iv) Risk-free interest rate: 1.35%, (v) vesting: 25% after year one, 25% after year two, 50% after year three, (vi) an exercise price of \$14.30, and (vii) a grant date price of \$14.33 resulting in a grant date fair value per Option of \$2.72.

- September 2022 option grant (CEO): (i) Volatility: 38%, (ii) Dividend yield: 4.40%, (iii) Weighted average remaining life: 2.7 years, (iv) Risk-free interest rate: 3.68%, (v) vesting: half (1/2) of the Options vest on each anniversary of July 15, 2023, (vi) an exercise price of \$12.72, and (vii) a grant date price of \$12.72 resulting in a grant date fair value per Option of \$2.67.

- February 2023 option grant: (i) Volatility: 28%, (ii) Dividend yield: 4.45%, (iii) Weighted average remaining life: 2.5 years, (iv) Risk-free interest rate: 3.63%, (v) vesting: 25% after year one, 25% after year two, 50% after year three, (vi) an exercise price of \$14.27, and (vii) a grant date price of \$14.28 resulting in a grant date fair value per Option of \$2.14.

- February 2024 option grant: (i) Volatility: 22%, (ii) Dividend yield: 6.52%, (iii) Weighted average remaining life: 2.5 years, (iv) Risk-free interest rate: 3.89%, (v) vesting: 25% after year one, 25% after year two, 50% after year three, (vi) an exercise price of \$10.60, and (vii) a grant date price of \$10.61 resulting in a grant date fair value per Option of \$0.95.

The method for determining option awards in 2024 is consistent with the method used by the Committee's compensation advisors when valuing the equity-based awards of other companies for competitive total compensation comparison purposes. The amount of the differences between fair value of the awards (set forth in the option-based awards column of the Summary Compensation Table) and the fair value determined for purposes of the financial statements are set forth below:

Named Executive Officer	Summary Compensation Value	Accounting Value
Franco Sciannamblo	\$289,000	\$175,922
John Ireland	\$335,750	\$204,385
Sherilyn King	\$255,000	\$155,228

The difference between the grant date fair value for accounting purposes and the grant date fair value for compensation purposes as disclosed in the summary compensation table is due to the use of different assumptions and estimates.

(3) Annual short-term incentive plan amounts are paid in cash in the year following the fiscal year in respect of which they are earned unless an alternative arrangement is made. For 2024, the corporate payout factor amounted to 175% with the individual performance multiplier being 175%.

(4) Dollar values disclosed in such column correspond to the dollar values in the "Compensatory change" column in the Defined Benefit Plan and in the Defined Contribution Plan tables. The amount disclosed in 2024 for Mr. Sciannamblo also includes the Corporation's contributions in his Defined Contribution Notional Accounts. See "Executive Compensation – Discussion and Analysis – Benefits, Perquisites and Pension" for details.

(5) No perquisites are included for the Named Executive Officers other than Mr. Eckert and Mr. Ireland given that they do not in aggregate, exceed the lesser of \$50,000 or 10% of the total salary for each of these Named Executive Officers. These perquisites include a car allowance, financial planning, health club memberships, annual medical examinations, home security services and additional dollar credits under the Corporation's group benefits program.

Mr. Eckert is also eligible for reimbursement of all travel expenses between his residence in the U.S.A. and Canada and living expenses while in Canada; reimbursement of individual U.S.A. health plan coverage; special cash payments further to the Corporation payment of quarterly common share dividends of \$0.25; and tax equalization and gross up. The amount disclosed for Mr. Eckert in 2024 includes \$50,211 USD (using the 2024 Bank of Canada average annual exchange rate of 1.3698, the amount in Canadian is \$68,779) for reimbursement for U.S. medical coverage (life, AD&D, disability, medical and dental). Pursuant to Mr. Eckert's Employment Agreement dated July 16, 2020, and September 15, 2022, as the Corporation implemented a regular Share dividend policy of \$0.15, which was increased to \$0.20 as of June 15, 2023, and increased to \$0.25 as of February 14, 2024 he is entitled to receive a special cash award in respect of such periods that dividends are paid on the date of the dividend payment equal to the dividend paid multiplied by the number of unexercised and unvested SARs and stock options held. At the time the \$0.25 dividend was declared in each of the first, second, third and fourth quarter, Mr. Eckert held 584,018 of unexercised SARs and 532,862 of unexercised options and received a special cash payment of \$279,220. In accordance with the terms of Mr. Eckert's employment agreement, he was eligible to receive \$5,000 USD net of tax (using the 2024 Bank of Canada average annual exchange rate of 1.3698, the amount in Canadian was \$6,849) to contribute to a health flex-spending account and \$5,000 USD (using the 2024 Bank of Canada average annual exchange rate of 1.3698, the amount in Canadian was \$6,849) to subsidize home office expenses.

EMPLOYMENT AGREEMENTS, TERMINATIONS AND CHANGE OF CONTROL BENEFITS

EMPLOYMENT AGREEMENT, NON-COMPETE / NON-SOLICITATION AND SEPARATION TERMS

David A. Eckert, Chief Executive Officer, Franco Sciannamblo, Senior Vice-President and Chief Financial Officer, and John Ireland, Senior Vice President of Organizational Effectiveness and have employment agreements with the Corporation. Each of the Named Executive Officers are bound by certain standard restrictive covenants in favour of the Corporation, including non-disclosure, non-solicitation and non-competition provisions for a period of two (2) years following termination of employment. Sherilyn King, President, did not have an employment agreement in her role as Senior Vice President, Sales, Marketing and Customer Service in the year ending December 31, 2024, but she entered into an employment agreement on March 6, 2025 relating to her appointment as President as of that date and to CEO of the Corporation following Mr. Eckert's anticipated retirement on July 15, 2025.

The following table indicates estimated incremental payments triggered pursuant to a termination of employment without cause or a change of control in accordance with the applicable provisions of outstanding employment agreements or change of control provisions under the Severance Agreements for each of the applicable Named Executive Officers as at December 31, 2024. In the event of a termination for cause or resignation other than for good reason, the Named Executive Officers are not entitled to incremental payments.

David A. Eckert	656,250	656,250	1,511,906	-	2,824,406	1,511,906
Franco Sciannamblo	340,000	170,000	538,535	-	1,048,535	538,535
John Ireland	395,000	197,500	538,535	-	1,131,035	538,535
Sherilyn King	-	-	538,535	-	538,535	538,535

(1) The severance value disclosed above for Messrs. Eckert, Sciannamblo and Ireland is payable upon termination without cause or for good reason as defined in their employment agreements with the Corporation. The severance value payable upon a change of control is triggered upon a termination without cause or resignation for good reason within twelve (12) months following the change of control. Ms. King did not have an employment agreement with the Corporation on December 31, 2024.

(2) Under the terms of the amendment to Mr. Eckert's second Employment Agreement dated September 15, 2022, all of his long-term incentive, Options, SARs and RSUs, would immediately vest and be exercisable if he were terminated as of December 31, 2024. The payout value for Mr. Eckert's Options, SARs, and RSUs was determined using the closing price of the Shares on the TSX on December 31, 2024, which was \$11.85. The payout value for the Options and SARs is accordingly nil, due to the grant price being above the closing price of the Shares on the TSX on December 31, 2024. Under the terms of the one-time RSU Grant dated May 23, 2023 to Ms. King and Messrs. Ireland and Sciannamblo, should any of their employment be terminated without cause (other than within the 24 months following a Change of Control, in which case the terms of the Plan control), 100% of their RSUs shall vest on their date of Termination. The payout value of the RSUs for Ms. King and Messrs. Ireland and Sciannamblo was determined using the closing price of the Shares on the TSX on December 31, 2024, which was \$11.85.

(3) For Messrs. Eckert, Ireland and Sciannamblo no additional compensatory amounts are payable under their respective employment agreements.

(4) The value disclosed for all Named Executive Officers in this column includes Options, SARs, RSUs assuming no alternative awards are granted according to the 2012 Share Option Plan and RSU & PSU Plan following a change of control. The dollar value shown for the Options and SARs, where applicable, to the Named Executive Officer is nil since the exercise price is above the closing price of the Shares on the TSX on December 31, 2024, which was \$11.85. The value for the RSUs was calculated by multiplying the number of RSUs granted at target (inclusive of additional RSUs credited further to dividends declared by the Corporation) as the case may be, by the closing price of the Shares on the TSX on December 31, 2024, which was \$11.85.

AUDIT FEES

During the 2024 and 2023 fiscal years, the Corporation retained its independent auditor, Deloitte, to provide services in the categories and for the approximate amounts that follow:

	2024	2023
	(\$)	(\$)
Audit fees	761,000	814,000
Audit-related fees	40,000	37,000
Tax fees	101,000	23,000
Total	902,000	874,000

Audit fees. These amounts represent fees for the audit of the Corporation's annual consolidated financial statements and the review of its quarterly financial statements. They consist of fees also related to services that an independent auditor would customarily provide in connection with statutory requirements, regulatory filings, and similar engagements for the fiscal year, such as comfort letters, consents, and assistance with review of documents filed with securities regulatory authorities. In addition, audit fees included the cost of translation of various continuous disclosure documents of the Corporation.

Audit-related fees. Audit-related fees for assurance and related services that are performed by Deloitte and are not reported under the audit fees item above. These fees are for services not required by statute or regulations. These services consisted primarily of employee pension plan audits and other special purpose mandates approved by the Audit Committee.

Tax fees. These fees consist of two (2) categories: (i) tax compliance and preparation fees; and (ii) tax advice and planning fees and other special purpose mandates approved by the Audit Committee.

The Audit Committee of the Corporation has adopted a policy regarding the engagement of Deloitte for non-audit services. Deloitte provides audit services to the Corporation and is also authorized to provide specific audit-related services as well as tax services. Deloitte may also provide other services provided, however, that all such services are pre-approved by the Chairman of the Audit Committee and that such engagement is confirmed by the Audit Committee at its following meeting. The policy also specifically prohibits the provision of certain services by Deloitte in order to maintain its independence. Additional information relating to the Audit Committee can be found in the section "Audit Committee" of the AIF available on the Corporation's website at www.corporate.yp.ca and on SEDAR+ at www.sedarplus.ca.

SCHEDULE “A”: DISCLOSURE OF CORPORATE GOVERNANCE PRACTICES

CORPORATE GOVERNANCE GUIDELINES

The Corporation is committed to adhering to highly effective standards in its corporate governance practices, to the periodic review of its governance practices and the inclusion of those practices, as constructive and appropriate, in the governance processes of the Corporation.

The Board has adopted certain corporate governance guidelines (the “**Corporate Governance Guidelines**”). The purpose of the Corporate Governance Guidelines is to assist the Board in the exercise of its responsibilities and to serve the best interests of the Corporation and its Shareholders. These Corporate Governance Guidelines are intended to serve as a transparent, flexible and pragmatic framework within which the Board may operate to guide the Corporation in discharging their duties. The Corporate Governance Guidelines are available on the Corporation’s website at www.corporate.yp.ca.

The Corporation’s corporate governance practices fully comply with the disclosure and listing requirements of the TSX and with applicable Canadian legislation and related regulations of the CSA. The Board annually reviews the Corporate Governance Guidelines with a view to continuously improving the Corporation’s corporate governance practices by assessing their effectiveness and comparing them with evolving best practices, standards identified by leading governance authorities and the Corporation’s changing circumstances and needs.

The following constitutes the Corporation’s disclosure of its corporate governance practices and is made pursuant and with reference to National Policy 58-201 – *Corporate Governance Guidelines* and National Instrument 58-101 – *Disclosure of Corporate Governance Practices* which have been adopted by the CSA.

ROLE OF THE BOARD

The mandate of the Board is to oversee the conduct of the Corporation’s business and to supervise management (“Management”). The Board establishes the overall policies for the Corporation, monitors and evaluates the Corporation’s strategic direction and retains plenary power for those functions not specifically delegated by it to its committees or to Management. The Board is the ultimate leadership body which gives direction to the Corporation’s business. As part of its stewardship responsibility, the Board advises Management on significant business issues. The Board discharges its responsibilities either directly or through its three (3) committees. See “Risk Oversight” below.

The Board works with Management to develop the strategy of the Corporation and holds strategic planning meetings at least once a year. Management and the Board also discuss the main risks facing the Corporation, the competitive landscape and corporate opportunities.

The charter of the Board is attached herewith as Appendix A and the charter of the Audit Committee is attached as Schedule A to the AIF, which is available on SEDAR+ at www.sedarplus.ca. These charters, as well as the charters of the Human Resources and Compensation Committee and the Corporate Governance and Nominating Committee, are available on the Corporation’s website at www.corporate.yp.ca.

BOARD STRUCTURE AND OPERATIONS

The Corporate Governance and Nominating Committee is responsible for advising the Board on the appropriate size of the Board and its Committees to ensure effective decision-making as appropriate within the limits of the constituting documents of the Corporation. The Directors are elected annually by the Shareholders and constitute the Board, together with those appointed to fill vacancies or appointed as additional Directors throughout the year.

The Board meets at least five (5) times per year and may meet more often if required. Meetings of the Board may be convened at the request of any member of the Board. To the extent feasible, Board meetings are scheduled sufficiently in advance in order to maximize Director participation. Directors are expected to provide sufficient time to devote to the affairs of the Corporation and make themselves available for such meetings and strive for perfect attendance at Board meetings. Directors are expected to attend in person all meetings (other than conference call meetings) of the Board and Committees on which they serve. Additionally, Directors are required to prepare thoroughly for each Board and Committee meeting by reviewing the relevant materials, understanding and remaining up-to-date in connection with the Corporation’s operations and the major trends in the business sector in which the Corporation operates and continually expanding on such knowledge.

Directors are asked to notify the Corporation if they are unable to attend, and attendance at meetings is duly recorded. Moreover, the independent Directors have the ability to hold meetings at which non-independent Directors and members of Management are not in attendance.

Financial and other relevant information is made available to Directors several days before or sufficiently in advance of scheduled Board and Committee meetings to facilitate Directors’ preparation for meetings. Apart from the President and Chief Executive Officer who is a member of the Board and participates in such capacity, the Board invites other members of Management to attend parts or all of Board meetings (other than during in-camera sessions) for reporting and informational purposes.

The Directors meet in camera at every Board and Committee meeting without the CEO or other members of Management present to ensure free and open discussion amongst themselves. In 2024, there were 7 such Board meetings.

POSITION DESCRIPTION

CHAIR OF THE BOARD AND CHAIRS OF THE BOARD COMMITTEES

The Chair of the Board is appointed by resolution of the Board among the Board members each year for a one-year term (except when a vacancy is being filled) and takes effect immediately following the annual general meeting of Shareholders. Susan Kudzman, an independent Director, had served as Chair of the Board from May 11, 2018 to May 9, 2024. On May 9, 2024 at a Meeting of the Board of Directors, Rob Hall was appointed to Chair of the Board following a recommendation to the effect by the Corporate Governance and Nominating Committee. It is the Corporation’s current policy that the position of Board Chair be separate from that of the President and Chief Executive Officer. In addition, in connection with Mr. Hall’s appointment to Chair of the Board, Mr. Hall stepped down as Chair of the Audit Committee, with Ms. Kudzman being appointed to said position in his stead. On November 11, 2024, Ms. Kudzman resigned from the Board of Directors of Yellow Pages Limited and Martin Harrison was appointed to the Board of Directors, as well as Chair of the Audit Committee.

The responsibilities of the Chair of the Board are set out in a position description which provides that the Chair of the Board, in addition to being an independent Director, is expected to provide leadership to the Board and to set the tone for the Board and the Directors to foster effective, ethical and responsible decision-making by them. Among other things, the Chair of the Board presides at meetings of the Board and generally oversees Board direction and administration, ensuring that the Board works as a cohesive team, builds a strong governance culture and carries out its duties. The Chair acts as liaison between the Board and Management, provides advice and counsel to the President and Chief Executive Officer, Committee Chairs and fellow

Directors. The Chair of the Board works with the President and Chief Executive Officer and senior Management to monitor progress on strategic planning and implementation.

The Board has also developed written position descriptions for the Chairs of each standing Board Committee. See “Committees of the Board – Corporate Governance and Nominating Committee”, “Committees of the Board – Human Resources and Compensation Committee” and “Committees of the Board – Audit Committee” below.

PRESIDENT AND CHIEF EXECUTIVE OFFICER

The Board has developed and approved a position description for the President and Chief Executive Officer. The President and Chief Executive Officer is responsible for providing leadership in setting the vision and developing the strategic plan of the Corporation in conjunction with the Board. Subject to the Board's approval, the President and Chief Executive Officer also ensures the implementation of the objectives and of the strategic plan adopted by the Board and reports to the Board in a timely manner on deviations from the strategic plan or any parameters established by the Board. The President and Chief Executive Officer is also responsible for leading the turnaround of the Corporation. He or she must provide operational leadership and vision in the management of the Corporation's operations with a view of improving its financial performance, related share price appreciation and long-term shareholder value. It is also his duty to run an effective and efficient organization, addressing emerging issues that impact the future direction of the Corporation and preparing it to meet the challenges presented by new trends and development in the market. Finally, he or she must manage and motivate the Corporation's executives to achieve the strategic priorities established by the Board, oversee the quality and integrity of the management of the Corporation and “set the tone” for Management to foster ethical and responsible decision making as well as appropriate management and best-in-class corporate governance practices. The President and Chief Executive Officer is also responsible for evaluating the performance of executives for compliance with established policies and the Corporation's objectives and evaluating their contributions in attaining objectives. Finally, he or she must communicate effectively the Corporation's vision, values, strategy and business plan to internal and external stakeholders and ensure that sufficient information is provided to the Board to enable the Directors to form appropriate judgments. On March 6, 2025, Sherilyn King was appointed to the position of President as of that date and will become CEO of the Corporation following Mr. Eckert's anticipated retirement on July 15, 2025.

INDEPENDENCE OF THE BOARD

The Board, on advice of the Corporate Governance and Nominating Committee has determined that all the Directors, other than Sherilyn King, David A. Eckert and Treena Cooper, are independent as such term is defined in National Instrument 52-110 – *Audit Committees* of the Canadian Securities Administrators (“CSA”) and do not have a material relationship with the Corporation. Ms. King is not independent because she is the President of the Corporation. Mr. Eckert is not independent because he is the Chief Executive Officer of the Corporation until July 15, 2025, following which Ms. King shall be appointed President and Chief Executive Officer. Ms. Cooper is not independent because she held a position as an executive officer of the Corporation within the last three (3) years. As a result, although the Board is not majority independent.

TERM LIMITS AND RETIREMENT

The Board endorses the concepts of continuous renewal, the purposeful refreshing of experience, skill, and perspective that stimulates Board discussion and decision and has embedded them within the formal and informal governance processes of the Corporation. It is explicitly discussed as part of the annual assessment of Board effectiveness conducted by the Corporate Governance and Nominating Committee, and it is a continuous current of conversation in the less formal deliberations of the Board. Rather than imposing arbitrary term or age limits, the Board feels this approach provides a more dynamic and effective method for addressing the objective of continuous renewal. For these same reasons, the Board does not believe that it is in the best interests of the Corporation to have a retirement policy for Directors at this time.

CHANGE IN DIRECTOR OCCUPATION

The Corporate Governance Guidelines of the Corporation provide that a Director facing a material change in his or her professional circumstances should offer his or her resignation to the Corporate Governance and Nominating Committee which will make a recommendation as to whether it should decline or accept such Director's proposed resignation.

MAJORITY VOTING POLICY

The Board has a majority voting policy which requires that any nominee for a Director who receives a greater number of votes withheld than in favour of his or her election at a meeting at which directors are to be elected shall tender his or her resignation to the Chair of the Board following that meeting. This policy applies only to uncontested elections, meaning elections that do not involve a proxy battle, i.e. where proxy material is circulated in support of one or more nominees who are not part of the Director nominees supported by the Board. The Corporate Governance and Nominating Committee shall be expected to recommend that the Board accept the resignation offer, except in exceptional circumstances. Further, the Board shall act on the Corporate Governance and Nominating Committee's recommendation within ninety (90) days following the applicable annual meeting and shall accept the resignation offer, except in exceptional circumstances. The Board shall promptly disclose its election decision including the reasons for rejecting the resignation, if applicable, by press release, a copy of which shall be provided to the TSX. If a resignation is accepted, the Board may appoint a new Director to fill the vacancy created by the resignation. The majority voting policy complies with the recommendations issued by the Canadian Coalition for Good Governance on such matter and the rules of the TSX.

RECRUITMENT OF DIRECTORS

The Corporate Governance and Nominating Committee is responsible for developing and reviewing the criteria as well as establishing a process for selecting Directors by considering what competencies and skills the Board, as a whole, should have and by regularly assessing the competencies, skills, personal qualities, business background and diversified experiences of the Board as a whole and of each of the existing Directors. The Corporate Governance and Nominating Committee is also responsible for advising the Board on the appropriate size and composition of the Board and its Committees to ensure effective decision-making.

The Board is committed to fostering a culture of diversity, inclusion and respect and has therefore adopted a Diversity Policy. The Board supports having a Board made up of highly qualified Directors from diverse backgrounds and experiences and who reflect the markets in which the Corporation operates, and the Corporation's evolving customer and employee base. The Board believes that having a diverse Board benefits the Corporation by enabling the Board to consider issues from a variety of perspectives. Diversity can enhance effective decision making and strategic planning and improve productivity, creativity, quality, teamwork and decision making. Diversity and inclusion enrich employee experience, broaden thinking, and help compete, innovate and grow in the ever-evolving digital market. The Diversity Policy states that the Corporate Governance and Nominating Committee will take into account diversity considerations such as gender, age, national origin and ethnicity in addition to business skills, qualifications and career history when assessing potential candidates for nomination to the Board.

In accordance with the Diversity Policy, the Corporate Governance and Nominating Committee also sets measurable objectives for achieving diversity and recommends them to the Board for adoption. In particular, through the adoption of the Diversity Policy, the Board committed to having women represent at least 30% of its independent members by 2019 and to have women represent at least 30% of the Corporation's senior management team (comprised

of the Corporation's executive officers) by 2019. In early 2019, the Corporation achieved this goal. In November 2019, the Corporate Governance and Nominating Committee recommended the Board, and the Board did so, amend the Diversity Policy to extend the Corporation's commitment to have women represent at least 30% of independent Board members and executive officers for a further two (2) years (until November 2021). In November 2021, the Corporate Governance and Nominating Committee recommended the Board, and the Board did so, amend the Diversity Policy to commit the Corporation to have women represent at least 30% of independent Board members and executive officers. In November 2023, the Corporate Governance and Nominating Committee recommended the Board, and the Board did so, reaffirm the Diversity Policy to commit the Corporation to have women represent at least 30% of independent Board members and executive officers.

As at March 25, 2025, 1 or 25% of the Corporation's executive officers are women, and while 0 or 0% of the independent Board members are women, 2 or 33% of the Board members are women.

Diversity Policy Targets	Percentage of Women	Percentage of Women as of March 25, 2025
Directors of the Board	30%	0%
Senior Management	30%	25%

When a Director is being recruited, the Corporate Governance and Nominating Committee initiates the process by seeking input and suggestions from the other Directors as to the competencies, skills, business acumen, profile, independence and personal qualities of candidates, including integrity, accountability and leadership and updating the review of the skills, qualities and competencies of the remaining Directors. The Corporate Governance and Nominating Committee, either by itself or with the assistance of the other Directors or a recruiting firm, identifies qualified candidates, assesses their competencies and skills and, after interviewing them, recommends nominees to the Board.

CODE OF ETHICS

The Corporation has a Code of Ethics which sets out the guiding principles of the Corporation in all its operations and business practices. The Code of Ethics deals with such matters as personal integrity and ethics, general harassment and discrimination, customer, supplier and competitor relations, shareholder and media relations, integrity of records, the Corporation's funds and property, outside employment and employment of relatives, confidentiality and intellectual property rights, conflicts of interest, insiders and material undisclosed information and political contributions, and addresses the issues prescribed by the Corporate Governance Guidelines. The Code of Ethics applies to all Directors, officers and employees of the Corporation.

Each Director and employee of the Corporation must confirm annually that they have both read and complied with the requirements of the Code of Ethics. Management reports annually to the Corporate Governance and Nominating Committee on the implementation of, and compliance with, the Code of Ethics within the Corporation, and the Corporate Governance and Nominating Committee in turn reviews and reports to the Board on the subject. The Board may grant waivers of any provisions of the Code of Ethics to Directors or officers of the Corporation in certain circumstances provided they are disclosed in compliance with applicable legislation. No such waiver has been granted since the adoption of the Code of Ethics in 2004.

A Director or officer of the Corporation must disclose to the Corporation in writing the nature and extent of any interest he or she has in an actual or proposed material contract or transaction and shall not vote on any resolution to approve the contract or the transaction, except in limited circumstances. Each Director must also disclose to the Board any direct or indirect interest he or she has in any entity and which could involve a conflict of interest. A questionnaire is distributed annually to each Director so as to ensure that such interests and conflicts of interests are disclosed, if any. In situations where an entity in which a Director has an interest is either discussed or is the subject of a decision, the Board will request that the Director not partake in any such decision or discussion and refrain from voting.

The Code of Ethics is available on the Corporation's website at www.corporate.yp.ca. It may also be obtained upon request from the Secretary of the Corporation at its head office: 1751 Rue Richardson, Suite 8.300, Montréal, Québec H3K 1G6.

EXECUTIVE SUCCESSION PLANNING

The Board meets with members of the executive Management team and key staff members through their participation in meetings and presentations to the Board and, less informally through social events typically held during the year. This exposure allows Board members to become familiar and interact with members of Management who are potential future leaders of the Corporation. However, although the Board remains focused on attracting and retaining the best possible talent and monitors talent in the organization and considers succession planning on an ongoing, informal basis, the organization's ongoing turnaround efforts mean that the Board's focus has been in working with management to appropriately downsize the organization, including a reduction in Management headcount.

COMMITTEES OF THE BOARD

The Board has three (3) standing Committees: the Corporate Governance and Nominating Committee, the HRCC, and the Audit Committee.
